As part of the approval process, we invite comments addressing one or more of the following points:

a. Whether the proposed revisions to the TFR collections of information are necessary for the proper performance of the agency’s functions, including whether the information has practical utility;

b. The accuracy of the agency’s estimate of the burden of the collection of information;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collections on respondents, including through the use of automated collection techniques, the Internet, or other forms of information technology; and

e. Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

OTS will summarize the comments received and include them in the request for OMB approval. All comments will become a matter of public record.
