SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold an Open Meeting on November 19, 2010 at 10 a.m., in the Auditorium, Room L-002.

The subject matter of the Open Meeting will be:

1. The Commission will consider whether to propose new rules and rule amendments under the Investment Advisers Act of 1940 to implement provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act. These rules and rule amendments are designed to give effect to provisions

of Title IV of the Dodd-Frank Act that, among other things, increase the statutory threshold for registration by investment advisers with the Commission, require advisers to hedge funds and other private funds to register with the Commission, and address reporting by certain investment advisers that are exempt from registration.

2. The Commission will consider whether to propose rules that would implement new exemptions from the registration requirements of the Investment Advisers Act of 1940 for advisers to venture capital funds and advisers with less than \$150 million in private fund assets under management in the United States. These exemptions were enacted as part of the Dodd-Frank Wall Street Reform and Consumer Protection Act. The proposed rules also would clarify the meaning of certain terms included in a new exemption for foreign private advisers.

3. The Commission will consider whether to propose new rules under Section 763(i) of the Dodd-Frank Wall Street Reform and Consumer Protection Act governing the security-based swap data repository registration process, the duties of such repositories, and the core principles applicable to such repositories.

4. The Commission will consider whether to propose Regulation SBSR under Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act to provide for the reporting of security-based swap information to registered security-based swap data repositories or the Commission and the public dissemination of security-based swap transaction, volume, and pricing information.

At times, changes in Commission priorities require alterations in the scheduling of meeting items.

For further information and to ascertain what, if any, matters have been added, deleted or postponed, please contact: The Office of the Secretary at (202) 551-5400.

Dated: November 12, 2010.

Elizabeth M. Murphy,
Secretary.
