

beginning with the first month after a beneficiary's BOND participation period ends. We will continue to limit the number of months for which outcome payments may be made based on the same ticket to a maximum of 36 months. We will count any month for which we pay an outcome payment under the alternate rule or our usual rule toward this 36-month limit.

What is our authority for conducting the BOND project?

We are conducting the BOND project under the demonstration authority in section 234 of the Act. This section of the Act directs us to carry out experiments and demonstration projects to determine the relative advantages and disadvantages of, among other approaches, various alternative methods of treating the work activity of individuals entitled to title II benefits based on disability, including such methods as a reduction in benefits based on earnings. Section 234 of the Act authorizes us to waive compliance with the benefit requirements of title II of the Act and the requirements of section 1148 of the Act (concerning the Ticket to Work program) as they relate to the title II program, insofar as is necessary for a thorough evaluation of the alternative methods under consideration.

What provisions of the Act and regulations are we waiving to provide alternate rules under the BOND project?

Alternate Title II Program Rules

Under the Act and our regulations, we provide an SSDI beneficiary with a disabling impairment a 36-month reentitlement period following the completion of the TWP during which the beneficiary's entitlement to benefits continues even if the beneficiary is performing SGA. However, we do not pay benefits to the disability beneficiary or any other person entitled to benefits on his or her earnings record for any month after the grace period and during the reentitlement period in which the disability beneficiary performs SGA. In determining whether a beneficiary performs SGA in a month after the grace period, we consider only his or her work in or earnings for that month. We terminate entitlement to benefits if the disability beneficiary performs SGA after the reentitlement period. In addition, we provide a disability insurance beneficiary a period of disability to protect his or her earnings record. We terminate the beneficiary's period of disability when his or her entitlement to cash benefits terminates

or, if earlier, with the last month for which he or she received cash benefits during the reentitlement period. Sections 202(d)(1), (d)(6), (e)(1), and (f)(1), 216(i)(2)(D), and 223(a)(1) and (e) of the Act; 20 CFR 404.316(d), 404.321(c), 404.325, 404.337(d), 404.352(e), 404.401a, and 404.1592a.

We are waiving these provisions of the Act and regulations to the extent necessary to provide the alternate title II program rules described in this notice to beneficiaries in the BOND treatment groups. (See the section "Alternate Title II Program Rules for Participants in the Benefit Offset Treatment Groups" for the rules we will apply.) In general, under the alternate program rules, we will provide the following to an SSDI beneficiary assigned to a treatment group who completes the TWP by September 30, 2017:

- A BOND participation period of up to 60 months beginning with the month after completion of the TWP or the month after assignment to a treatment group, whichever is later;
- Eligibility for the benefit offset during a beneficiary's BOND participation period beginning with the month after the grace period or the first month of the BOND participation period, whichever is later;
- Payment of SSDI benefits, subject to reduction under the benefit offset, for months for which the SSDI beneficiary is eligible for the benefit offset (see the section "How will we apply the benefit offset?" for the rules we will apply);
- Payment of benefits to any other person entitled to benefits on the earnings record of the SSDI beneficiary for any month for which the beneficiary's SSDI benefits are reduced under the benefit offset, unless SSDI benefits are reduced to zero under the offset;
- Termination of a disability insurance beneficiary's period of disability with the close of the last month for which he or she received a benefit payment if his or her monthly benefits were reduced to zero under the benefit offset for each month thereafter up to the month his or her entitlement to cash benefits terminated; and
- Application of our usual program rules beginning with the month after the BOND participation period ends.

Alternate Rule for Paying Outcome Payments Under the Ticket to Work Program

Under the Ticket to Work program, we pay a qualified service provider, to which a disability beneficiary has assigned a ticket, for certain outcomes achieved by the beneficiary. We may pay an outcome payment to a qualified

service provider for each month for which SSDI benefits and Federal SSI are not payable to the beneficiary because of the performance of SGA or by reason of earnings from work activity. If the beneficiary is an SSDI-only or concurrent SSDI/SSI beneficiary, we may pay outcome payments for a maximum of 36 months, not necessarily consecutive. Section 1148(h) of the Act; 20 CFR 411.500(b)–(e), 411.525(a)(1)(i), and 411.575(b)(1)(i)(A).

We are waiving this section of the Act and these provisions of our regulations to the extent necessary to provide the alternate rule described in this notice for paying outcome payments to a qualified service provider to which a beneficiary in a treatment group has assigned a ticket. In general, under the alternate rule, a qualified service provider will be eligible for an outcome payment for each month (up to a maximum of 36) for which the beneficiary's SSDI benefits are reduced under the benefit offset and Federal SSI are not payable by reason of earnings from work activity.

Authority: Section 234 of the Act.
