Title: 7 CFR Part 1783, "Revolving Fund Program."

OMB Control Number: 0572-0138.

Type of Request: Extension of a currently approved information collection.

Abstract: Rural Development supports the sound development of rural communities and the growth of our economy without endangering the environment. Rural Development provides financial and technical assistance to help communities bring safe drinking water and sanitary, environmentally sound waste disposal facilities to rural Americans in greatest need.

The Revolving Fund Program (RFP) has been established to assist communities with water or wastewater systems. Qualified private non-profit organizations will receive RFP grant funds to establish a lending program for eligible entities. Eligible entities for the revolving loan fund will be the same entities eligible to obtain a loan, loan guarantee, or grant from Rural Development Water and Waste Disposal and Wastewater loan and grant programs. As grant recipients, the non-profit organizations will set up a revolving loan fund to provide loans to finance predevelopment costs of water or wastewater projects, or short-term small capital projects not part of the regular operation and maintenance of current water and wastewater systems.
