

Service prioritize them? What opportunities exist for adding or enhancing existing wildlife-dependent recreational opportunities and access points? Which areas of the refuge should be managed as undisturbed sanctuary areas and which areas should be considered for public access? Should the refuge consider establishing a waterfowl hunting program at Siletz Bay

NWR? Would waterfowl hunting and other wildlife-dependent recreational activities have detrimental effects on the refuge's ability to provide adequate undisturbed quality wintering habitat for waterfowl? Is there enough use of the refuge by migrating waterfowl to support a quality hunting program? Should the refuge consider enhancing the currently offered seasonal

opportunities to observe wildlife via guided canoe/kayak excursion through the refuge?
