### Office of the Secretary

*Type of Review:* Extension.

*Title of Collection:* U.S. Department of Education Grant Performance Report Form (ED 524B)

*OMB Control Number:* 1894–0003.

*Agency Form Number(s):* ED 524 B Form.

*Frequency of Responses:* Annually.

*Affected Public:* State, Local, or Tribal Government, State Educational Agencies or Local Educational Agencies.

*Total Estimated Number of Annual Responses:* 5,900.

*Total Estimated Number of Annual Burden Hours:* 132,300.

*Abstract:* The ED 524B form and instructions are used in order for grantees to meet Department of Education (ED) deadline dates for submission of performance reports for ED discretionary grant programs. Recipients of multi-year discretionary grants must submit an annual performance report for each year funding has been approved in order to

receive a continuation award. The annual performance report should demonstrate whether substantial progress has been made toward meeting the approved goals and objectives of the project. ED program offices may also require recipients of “forward funded” grants that are awarded funds for their entire multi-year project up-front in a single grant award to submit the ED 524B on an annual basis. In addition, ED program offices may also require recipients to use the ED 524B to submit their final performance reports to demonstrate project success, impact and outcomes. In both the annual and final performance reports, grantees are required to provide data on established performance measures for the grant program (*e.g.*, Government Performance and Results Act measures) and on project performance measures that were included in the grantee's approved grant application. The ED 524B also contains a number of questions related to project financial data such as Federal and non-Federal expenditures and indirect cost information. Performance reporting requirements are found in 34 CFR 74.51, 75.118, 75.253, 75.590 and 80.40 of the Education Department General Administrative Regulations.
