Abstract: This information collection covers permit applications and reports that our Division of Management Authority uses to determine the eligibility of applicants for permits requested in accordance with the criteria in various Federal wildlife conservation laws and international treaties, including:

- Endangered Species Act (16 U.S.C. 1531 *et seq.*).
- Migratory Bird Treaty Act (16 U.S.C. 703 *et seq.*).
- Lacey Act (16 U.S.C. 3371 *et seq.*).
- Bald and Golden Eagle Protection Act (16 U.S.C. 668).
- Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) (27 U.S.T. 1087).
- Marine Mammal Protection Act (16 U.S.C. 1361–1407 *et seq.*).
- Wild Bird Conservation Act (16 U.S.C. 4901–4916 *et seq.*).

Service regulations implementing these statutes and treaties are in Chapter I, Subchapter B of Title 50, Code of Federal Regulations (CFR). These regulations stipulate general and specific requirements that when met

allow us to issue permits to authorize activities that are otherwise prohibited.

In addition to the forms and reports currently approved under OMB Control No. 1018–0093, this revised ICR includes:

- FWS Forms 3–200–74 (Single-Use Export Permits Under a Master File or Annual Program File) and 3–200–75 (Registration of a Production Facility for Export of Certain Native Species). These forms are currently approved under OMB Control Number 1018–0137. If OMB approves this ICR, we will discontinue 1018–0137.

- Four new forms that we believe will reduce burden on applicants, improve customer service, and allow us to process applications and issue CITES documents quickly:

(1) FWS Form 3–200–80 (Export of Fertilized Live Eggs, Caviar, or Meat from Aquacultured Paddlefish or Sturgeon (CITES)). Applicants currently use FWS Form 3–200–24 or 3–200–76 for this activity.

(2) FWS Form 3–200–85 (Master File for the Export of Live Captive-bred Animals (CITES)). Applicants currently use FWS Form 3–200–24 for this activity.

(3) FWS Form 3–200–86 (Photography of Marine Mammals for Educational or Commercial Purposes (MMPA)).

Applicants currently use FWS Form 3–200–43 for this activity.

(4) FWS Form 3–200–87 (Transfer of Live Captive-held Marine Mammals (MMPA)). Applicants currently submit letters for notification or authorization.

Comments: On August 31, 2010, we published in the **Federal Register** (75 FR 53328) a notice of our intent to request that OMB approve this information collection. In that notice, we solicited comments for 60 days, ending on November 1, 2010. We received one comment. The comment did not address issues surrounding the proposed collection of information or the cost and hour burden estimates, but did object to other aspects of our permitting program and the killing of wildlife. We have not made any changes to this collection as a result of the comment. The commenter did question the groups that we included under the heading “Affected Public” in our previous **Federal Register** notice and stated that the entire U.S. public and animal protection groups are affected by this information collection. The groups listed under this heading were potential respondents. To ensure clarity, we have changed the heading title to “Description of Respondents.”

We again invite comments concerning this information collection on:

- Whether or not the collection of information is necessary, including whether or not the information will have practical utility;

- The accuracy of our estimate of the burden for this collection of information;

- Ways to enhance the quality, utility, and clarity of the information to be collected; and

- Ways to minimize the burden of the collection of information on respondents.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.

Dated: November 22, 2010.

Hope Grey,

*Information Collection Clearance Officer,
Fish and Wildlife Service.*
