The Practitioners’ Guide will provide guidance for State, Tribal, territory, and local disaster housing assistance practitioners to develop disaster housing strategies that improve responsiveness. It emphasizes the cooperative efforts required to provide disaster housing assistance by encouraging the involvement of private sector and non-governmental agencies.

The meeting is open to the public. Persons with disabilities who require special assistance should advise the Designated Federal Officer of their anticipated special needs as early as possible. Although members of the public will not be allowed to comment orally during the meeting, they may file a written statement with the NAC before the date of the meeting.
