Any person desiring to intervene or to  
protest in any of the above proceedings  
must file in accordance with Rules 211  
and 214 of the Commission's Rules of  
Practice and Procedure (18 CFR 385.211  
and 385.214) on or before 5 p.m. Eastern  
time on the specified comment date. It  
is not necessary to separately intervene  
again in a subdocket related to a  
compliance filing if you have previously  
intervened in the same docket. Protests  
will be considered by the Commission  
in determining the appropriate action to  
be taken, but will not serve to make  
protestants parties to the proceeding.  
Anyone filing a motion to intervene or  
protest must serve a copy of that  
document on the Applicant. In reference  
to filings initiating a new proceeding,  
interventions or protests submitted on  
or before the comment deadline need  
not be served on persons other than the  
Applicant.

As it relates to any qualifying facility  
filings, the notices of self-certification  
[or self-recertification] listed above, do  
not institute a proceeding regarding  
qualifying facility status. A notice of  
self-certification [or self-recertification]  
simply provides notification that the  
entity making the filing has determined  
the facility named in the notice meets  
the applicable criteria to be a qualifying  
facility. Intervention and/or protest do  
not lie in dockets that are qualifying  
facility self-certifications or self-  
recertifications. Any person seeking to  
challenge such qualifying facility status  
may do so by filing a motion pursuant  
to 18 CFR 292.207(d)(iii). Intervention  
and protests may be filed in response to  
notices of qualifying facility dockets  
other than self-certifications and self-  
recertifications.

The Commission encourages  
electronic submission of protests and  
interventions in lieu of paper, using the  
FERC Online links at <http://www.ferc.gov>. To facilitate electronic  
service, persons with Internet access  
who will eFile a document and/or be  
listed as a contact for an intervenor  
must create and validate an  
eRegistration account using the  
eRegistration link. Select the eFiling  
link to log on and submit the  
intervention or protests.

Persons unable to file electronically  
should submit an original and 14 copies

of the intervention or protest to the  
Federal Energy Regulatory Commission,  
888 First St., NE., Washington, DC  
20426.
