accordance with the NRC E–Filing rule (72 FR 49139, August 28, 2007). The E–
Filing process requires participants to submit and serve all adjudicatory
documents over the Internet, or in some
cases to mail copies on electronic
storage media. Participants may not
submit paper copies of their filings
unless they seek an exemption in
accordance with the procedures
described below.
To comply with the procedural
requirements of E–Filing, at least ten
days prior to the filing deadline, the
participant should contact the Office of
the Secretary via e-mail at
hearing.docket@nrc.gov, or via
telephone at (301) 415–1677, to request
(1) a digital ID certificate, which allows
the participant (or its counsel or
representative) to digitally sign
documents and access the E–Submittal
server for any proceeding in which it
is participating; and (2) advise the
Secretary that the participant will be
submitting a request or petition for
hearing (even in instances in which the
participant or its counsel or
representative, already holds an NRC-
issued digital ID certificate). Based upon
this information, the Secretary will
establish an electronic docket for the
hearing in this proceeding if the
Secretary has not already established an
electronic docket.
Information about applying for a
digital ID certificate is available on
NRC’s public Web site at http://
www.nrc.gov/site-help/e-submittals/
apply-certificates.html. System
requirements for accessing the E–
Submittal server are detailed in NRC’s
“Guidance for Electronic Submission,”
which is available on the agency’s
public Web site at http://www.nrc.gov/
/site-help/e-submittals.html. Participants
may attempt to use other software not
listed on the Web site, but should note
that the NRC’s E–Filing system does not
support unlisted software, and the NRC
Meta System Help Desk will not be able
to offer assistance in using unlisted
software.
If a participant is electronically
submitting a document to the NRC in
accordance with the E–Filing rule, the
participant must file the document
using the NRC’s online, Web-based
submission form. In order to serve
documents through Electronic
Information Exchange, users will be
required to install a Web browser plug-
in from the NRC Web site. Further
information on the Web-based
submission form, including the
installation of the Web browser plug-in,
is available on the NRC’s public Web
site at http://www.nrc.gov/site-help/e-
submittals.html.
Once a participant has obtained a
digital ID certificate and a docket has
been created, the participant can then
submit a request for hearing or petition
for leave to intervene. Submissions
should be in Portable Document Format
in accordance with the NRC guidance
available on the NRC public Web site at
http://www.nrc.gov/site-help/e-
submittals.html. A filing is considered
complete at the time the documents are
submitted through the NRC’s E–Filing
system. To be timely, an electronic
filing must be submitted to the E–Filing
system no later than 11:59 p.m. eastern
time on the due date. Upon receipt of
a transmission, the E–Filing system
time-stamps the document and sends the
submitter an e-mail notice confirming
receipt of the document. The E–Filing
system also distributes an e-mail notice
that provides access to the document to
the NRC Office of the General Counsel
and any others who have advised the
Office of the Secretary that they wish to
participate in the proceeding, so that
the filler need not serve the documents on
those participants separately. Therefore,
applicants and other participants (or
their counsel or representative) must
apply for and receive a digital ID
certificate before a hearing request/
petition to intervene is filed so that they
can obtain access to the document via
the E–Filing system.
A person filing electronically using
the agency’s adjudicatory E–Filing
system may seek assistance by
contacting the NRC Meta System Help
Desk through the “Contact Us” link
located on the NRC Web site at http://
www.nrc.gov/site-help/e-
submittals.html, via e-mail at
MSHD.Resource@nrc.gov, or via toll-free
call at (866) 672–7640. The NRC Meta
System Help Desk is available between
8 a.m. and 8 p.m., Eastern Time,
Monday through Friday, excluding
government holidays.
Participants who believe that they
have a good cause for not submitting
documents electronically must file an
exemption request, in accordance with
10 CFR 2.302(g), with their initial paper
filing requesting authorization to
continue to submit documents in paper
format. Such filings must be submitted
by: (1) First class mail addressed to the
Office of the Secretary of the
Commission, U.S. Nuclear Regulatory
Commission, Washington, DC 20555–
0001, Attention: Rulemaking and
Adjudications Staff; or (2) courier,
express mail, or expedited delivery
service to the Office of the Secretary,
Sixteenth Floor, One White Flint North,
11555 Rockville Pike, Rockville,
Maryland, 20852, Attention:
Rulemaking and Adjudications Staff.
Participants filing a document in this
manner are responsible for serving the
document on all other participants.
Filing is considered complete by first-
class mail as of the time of deposit in
the mail, or by courier, express mail, or
expedited delivery service upon
depositing the document with the
provider of the service. A presiding
officer, having granted an exemption
request from using E–Filing, may
require a participant or party to use E–
Filing if the presiding officer
subsequently determines that the reason
for granting the exemption from use of
E–Filing no longer exists.
Documents submitted in adjudicatory
proceedings will appear in the NRC’s
electronic hearing docket which is
available to the public at http://
edh.nrc.gov/EHD_Proceeding/home.asp,
unless excluded pursuant to an order of
the Commission, or the presiding
officer. Participants are requested not to
include personal privacy information,
such as social security numbers, home
addresses, or home phone numbers in
their filings, unless an NRC regulation
or other law requires submission of such
information. With respect to
copyrighted works, except for limited
excerpts that serve the purpose of the
adjudicatory filings and would constitute a Fair Use application,
participants are requested not to include
copyrighted materials in their
submission.
Petitions for leave to intervene must
be filed no later than 60 days from
November 30, 2010. Non-timely filings
will not be entertained absent a
determination by the presiding officer
that the petition or request should be
granted or the contentions should be
admitted, based on a balancing of the
factors specified in 10 CFR 2.309(c)(1)(i)–(viii).
Dated at Rockville, Maryland this 23rd day of
November, 2010.

**AGENCY:** Postal Regulatory Commission.

**ACTION:** Notice.

**SUMMARY:** This document informs the public that an appeal of the closing of the Eugene Post Office’s University Station in Eugene, Oregon, has been filed. **DATES:** Answer to application for suspension due (from Postal Service): December 2, 2010; administrative record due (from Postal Service): December 7, 2010; deadline for petitions to intervene: December 20, 2010. See the Procedural Schedule in the SUPPLEMENTARY INFORMATION section for other dates of interest.

The deadline for the Postal Service to file the administrative record with the Commission is December 7, 2010. See 39 CFR 3001.113.

**Application for suspension.** Petitioner also requests a suspension of the closing/consolidation process pending the outcome of the appeal. The post office is scheduled to close December 31, 2010. The answer to the application is due December 2, 2001. See 39 CFR 3001.114(b).
