

orders shall not be submitted in PDF format.

(2) *Appearance by CLR.* If a motion has been filed by a Conference and Litigation Representative (“CLR”) on behalf of the Secretary, the proposed order approving settlement accompanying the motion shall include a provision in which the Judge accepts the CLR to represent the Secretary in accordance with the notice of either limited or unlimited appearance previously filed with the Commission. A CLR does not need to obtain authorization from the Commission to represent the Secretary before the CLR files a motion to approve settlement and proposed order.

(d) *Filing and service of motion accompanied by proposed order.*

(1) *Electronic filing.* A motion and proposed order shall be filed electronically according to the requirements set forth in this rule and instructions on the Commission’s Web site (<http://www.fmshrc.gov>). Filing is effective upon the date of the electronic transmission of the motion and proposed order. The transmitting party is responsible for retaining records showing the date of transmission, including receipts.

(i) *Signatures.* Any signature line set forth within a motion to approve settlement submitted electronically shall include the notation “/s/” followed by the typewritten name of the party or representative of the party filing the document. Such representation of the signature shall be deemed to be the original signature of the representative for all purposes unless the party representative shows that such representation of the signature was unauthorized. See 29 CFR 2700.6.

(ii) *Status of documents.* A motion and proposed order filed electronically constitute written documents for the purpose of applying the Commission’s procedural rules (29 CFR part 2700), and such rules apply unless an exception to those rules is specifically set forth in this rule. Any copies of the motion and proposed order which have been printed and placed in the official case file by the Commission shall have the same force and effect as original documents.

(2) *Filing by non-electronic means.* A party may file a motion to approve settlement and an accompanying proposed order by non-electronic means only with the permission of the Judge.

(3) *Service.* A settlement motion and proposed order shall be served on all parties or, if parties are represented, upon their representatives, by the most expeditious means possible and at least five business days before the motion

and proposed order are filed with the Commission. If a party cannot be served by e-mail, facsimile transmission, or commercial delivery, a copy of the motion and proposed order may be served by mail. A certificate of service shall accompany the motion and proposed order setting forth the date and manner of service.

(e) *Filing of motion and proposed order prior to filing of petition.* If a motion to approve settlement and proposed order is filed with the Commission before the Secretary has filed a petition for assessment of penalty, the filing party must also submit as attachments, electronic copies of the proposed penalty assessment and citations and orders at issue. If such attachments are filed, the Secretary need not file a petition for assessment of penalty.

(f) *Non-acceptance of motion and proposed order.* If a party filing a motion to approve settlement and a proposed order fails to include in the motion and proposed order pertinent information required by this rule and the Commission’s instructions posted on the Commission’s Web site, the Commission will not accept for filing the motion and proposed order. Rather, the Commission will inform the filing party of the need for correction and resubmission.

(g) *Final order.* Any order by the Judge approving a settlement shall set forth the reasons for approval and shall be supported by the record. Such order shall become the final order of the Commission 40 days after issuance unless the Commission has directed that the order be reviewed. A Judge may correct clerical errors in an order approving settlement in accordance with the provisions of 29 CFR 2700.69(c).

Electronic and Facsimile Availability

This document and additional information concerning OFAC are available from OFAC’s Web site (<http://www.treas.gov/ofac>). Certain general information pertaining to OFAC’s sanctions programs also is available via facsimile through a 24-hour fax-on-demand service, tel.: 202/622–0077.

Background

The Belarus Sanctions Regulations, 31 CFR part 548 (“BSR”), implement Executive Order 13405 of June 16, 2006, “Blocking Property of Certain Persons Undermining Democratic Processes or Institutions in Belarus” (“E.O. 13405”). Pursuant to E.O. 13405, on May 15, 2008, OFAC designated the entities Lakokraska OAO and Polotsk Steklovolochno OAO, blocking their property and interests in property (73 FR 29849, May 22, 2008). On September 4, 2008, before the publication of the BSR, OFAC issued and posted on its Web site Belarus General License No. 1, which authorized all transactions between U.S. persons and Lakokraska OAO and/or Polotsk Steklovolochno OAO from September 4, 2008, until March 2, 2009. This authorization was subject to the proviso that all property and interests in property of Lakokraska OAO or Polotsk Steklovolochno OAO that previously had been blocked pursuant to E.O. 13405 were to remain blocked. OFAC subsequently amended Belarus General License No. 1 four times to extend its authorization for transactions between U.S. persons and the two entities. The latest of those

amendments, Belarus General License No. 1–D, extended the authorization for all transactions between U.S. persons and Lakokraska OAO and/or Polotsk Steklovolokno OAO until November 30, 2010.

The BSR were published on February 3, 2010 (75 FR 5502). Section 548.509 of the BSR memorialized General License No. 1, as amended, and authorized all transactions between U.S. persons and Lakokraska OAO and/or Polotsk Steklovolokno OAO for a limited period of time. Today, OFAC is amending section 548.509(a) of the BSR to extend the authorization until May 31, 2011. U.S. persons may continue to engage in all transactions otherwise prohibited by the BSR with Lakokraska OAO and/or Polotsk Steklovolokno OAO, except that, as provided in section 548.509(b), any property and interests in property that were blocked prior to September 4, 2008, still remain blocked.

This rule also corrects a typographical error in the BSR's authority citation.

Public Participation

Because the amendments of the Regulations involve a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the "Reporting, Procedures and Penalties Regulations"). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505–0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.
