For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of the order, if such a gap period is applicable to the POR.

DATES: *Effective Date:* December 1, 2010.

FOR FURTHER INFORMATION CONTACT: Shawn Higgins, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, *telephone:* (202) 482-0679.

SUPPLEMENTARY INFORMATION:

Background

On May 28, 2010, the Department of Commerce (the "Department") published a notice of initiation of an administrative review of the antidumping duty order on 1-hydroxyethylidene-1, 1-diphosphonic acid from the People's Republic of China.¹ The period of review is April 23, 2009, through March 31, 2010. The preliminary results of the administrative review are currently due no later than December 31, 2010.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the "Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 365 days.

Completion of the preliminary results of this review within the 245-day period is not practicable because the Department needs additional time to analyze information pertaining to the respondents' sales practices and factors of production, and to issue and review responses to supplemental questionnaires. Therefore, in accordance with section 751(a)(3)(A) of the Act, the

Department is extending the time period for completing the preliminary results of the instant administrative review by 90 days until March 31, 2011. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: November 24, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Notice of Final Results of Antidumping Duty Changed Circumstances Review: Certain Frozen Warmwater Shrimp From Thailand

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On October 6, 2010, the Department of Commerce (the Department) initiated a changed circumstances review and published a notice of preliminary results of changed circumstances review of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from Thailand. *See Notice of Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review: Certain Frozen Warmwater Shrimp from Thailand*, 75 FR 61702 (Oct. 6, 2010) (*Initiation and Preliminary Results*). In that notice, we preliminarily determined that A Foods 1991 Co., Limited (A Foods) is the successor-in-interest to May Ao Company Limited (May Ao) for purposes of determining antidumping duty cash deposits and liabilities. No interested party submitted comments on, or requested a public hearing to discuss, the *Initiation and Preliminary Results*. For these final results, the Department continues to find that A Foods is the successor-in-interest to May Ao.

DATES: *Effective Date:* December 1, 2010.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone* (202) 482-3874.

SUPPLEMENTARY INFORMATION:

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 75 FR 29976 (May 28, 2010).

Background

On September 1, 2010, A Foods requested that the Department conduct an expedited changed circumstances review under 19 CFR 351.221(c)(3)(iii) to confirm that A Foods is the successor-in-interest to May Ao for purposes of determining antidumping duty cash deposits and liabilities. On October 6, 2010, the Department initiated this changed circumstances review and published the notice of preliminary results, determining that A Foods is the successor-in-interest to May Ao. *See Initiation and Preliminary Results*, 75 FR at 61704. In the *Initiation and Preliminary Results*, we provided all interested parties with an opportunity to comment or request a public hearing regarding our finding that A Foods is the successor-in-interest to May Ao. We received no comments or requests for a public hearing from interested parties within the time period set forth in the *Initiation and Preliminary Results*.

Scope of the Order

The scope of this order includes certain frozen warmwater shrimp and prawns, whether wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off,¹ deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

The frozen warmwater shrimp and prawn products included in the scope of this order, regardless of definitions in the Harmonized Tariff Schedule of the United States (HTSUS), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size. The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the *Penaeidae* family. Some examples of the farmed and wild-caught warmwater species include, but are not limited to, whiteleg shrimp (*Penaeus vannamei*), banana prawn (*Penaeus merguensis*), fleshy prawn (*Penaeus chinensis*), giant river prawn (*Macrobrachium rosenbergii*), giant tiger prawn (*Penaeus monodon*), redspotted shrimp (*Penaeus brasiliensis*), southern brown shrimp (*Penaeus subtilis*), southern pink shrimp (*Penaeus notialis*), southern rough shrimp (*Trachypenaeus curvirostris*), southern white shrimp (*Penaeus schmitti*), blue shrimp (*Penaeus stylirostris*), western

white shrimp (*Penaeus occidentalis*), and Indian white prawn (*Penaeus indicus*).

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope of this order. In addition, food preparations, which are not "prepared meals," that contain more than 20 percent by weight of shrimp or prawn are also included in the scope of this order.

Excluded from the scope are: (1) Breaded shrimp and prawns (HTSUS subheading 1605.20.10.20); (2) shrimp and prawns generally classified in the *Pandalidae* family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTSUS subheadings 0306.23.00.20 and 0306.23.00.40); (4) shrimp and prawns in prepared meals (HTSUS subheading 1605.20.05.10); (5) dried shrimp and prawns; (6) canned warmwater shrimp and prawns (HTSUS subheading 1605.20.10.40); (7) certain dusted shrimp; and (8) certain battered shrimp. Dusted shrimp is a shrimp-based product: (1) That is produced from fresh (or thawed-from-frozen) and peeled shrimp; (2) to which a "dusting" layer of rice or wheat flour of at least 95 percent purity has been applied; (3) with the entire surface of the shrimp flesh thoroughly and evenly coated with the flour; (4) with the non-shrimp content of the end product constituting between four and 10 percent of the product's total weight after being dusted, but prior to being frozen; and (5) that is subjected to IQF freezing immediately after application of the dusting layer. Battered shrimp is a shrimp-based product that, when dusted in accordance with the definition of dusting above, is coated with a wet viscous layer containing egg and/or milk, and par-fried.

The products covered by this order are currently classified under the following HTSUS subheadings: 0306.13.00.03, 0306.13.00.06, 0306.13.00.09, 0306.13.00.12, 0306.13.00.15, 0306.13.00.18, 0306.13.00.21, 0306.13.00.24, 0306.13.00.27, 0306.13.00.40, 1605.20.10.10, and 1605.20.10.30. These HTSUS subheadings are provided for convenience and for customs purposes only and are not dispositive, but rather the written description of the scope of this order is dispositive.

Final Results of Changed Circumstances Review

For the reasons stated in the *Initiation and Preliminary Results*, and because we received no comments from interested parties to the contrary, the

Department continues to find that A Foods is the successor-in-interest to May Ao. As a result of this determination, we find that A Foods should receive the cash deposit rate previously assigned to May Ao in the most recently completed review of the antidumping duty order on shrimp from Thailand. *See, e.g., Final Results of Antidumping Duty Changed Circumstances Review: Certain Circular Welded Non-Alloy Steel Pipe and Tube from Mexico*, 74 FR 41681, 41682 (Aug. 18, 2009). Consequently, the Department will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced/exported by A Foods and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at 2.61 percent, which is the current antidumping duty cash-deposit rate for May Ao. *See Certain Frozen Warmwater Shrimp from Thailand: Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 75 FR 54847 (Sept. 9, 2010). This cash deposit requirement shall remain in effect until further notice.

We are issuing this determination and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) and (2) of the Tariff Act of 1930, as amended, and 19 CFR 351.216 and 351.221(c)(3).

Dated: November 23, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.
