

the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. These final supplementary rules do not conflict with any Idaho State law or regulation. Therefore, in accordance with Executive Order 13132, the BLM has determined that these final supplementary rules do not have sufficient Federalism implications to warrant preparation of a Federalism Assessment.

Executive Order 12988, Civil Justice Reform

Under Executive Order 12988, the Idaho State Office of the BLM has determined that these final supplementary rules do not unduly burden the judicial system and meet the requirements of sections 3(a) and 3(b)(2) of the Order.

Executive Order 13175, Consultation and Coordination With Indian Tribal Governments

In accordance with Executive Order 13175, the BLM found that these supplementary rules would not include policies that have Tribal implications. Since the rules do not change BLM policy and do not involve Tribal lands, resources, or religious rights, the BLM has determined that additional Tribal consultation is not necessary.

Paperwork Reduction Act

These final supplementary rules do not contain any information collection that the Office of Management and Budget must approve under the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.* Any information collection that may result from Federal criminal investigations or prosecutions conducted under these proposed supplementary rules is exempt from the provisions of the Paperwork Reduction Act of 1995, as provided at 44 U.S.C. 3518(c)(1).

National Environmental Policy Act (NEPA)

The BLM prepared an EA (ID-410-2008-EA-60) and an associated Finding of No Significant Impact (FONSI) for the BCBRPP, for which a Decision Record was issued January 9, 2009. The proposed rules and their environmental effects were analyzed in the EA, and the Decision Record adopted the supplementary rules. The supplementary rules are consistent with and necessary to carry out the direction of the RMP and the BCBRPP. They establish rules of conduct for public use within the BCBRMA to protect public health and safety and improve the protection of the resources. The BLM

has placed the EA, FONSI and Decision Record on file in the BLM Administrative Record at the address specified in the **ADDRESSES** section.
