Corrosion-Resistant Carbon Steel Flat Products From the Republic of Korea: Notice of Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

Background

On September 14, 2010, the Department published the preliminary results of this review. See Certain Corrosion-Resistant Carbon Steel Flat Products From the Republic of Korea: Notice of Preliminary Results of the Sixteenth Antidumping Duty Administrative Review, 75 FR 55769 (September 14, 2010). The final results of this review are currently due no later than January 12, 2011.

Extension of Time Limit of the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of a review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. See also 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the final results of this review within the original time limit because we scheduled post-preliminary results verifications, which we just completed and have not yet issued the verification reports. Therefore, the Department is fully extending the time limit for the final results. The final results are now due no later than March 13, 2011. As that day falls on a Sunday, the final results are due no later than March 14, 2011. See Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant of the Tariff Act of 1930, As Amended, 70 FR 24533 (May 10, 2005).

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2). This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 6, 2010.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
