for scientific instruments that the institutions import under the Florence Agreement. Form ITA–338P enables: (1) DHS to determine whether the statutory eligibility requirements for the institution and the instrument are fulfilled, and (2) Commerce to make a comparison and finding as to the scientific equivalency of comparable instruments being manufactured in the United States. Without the collection of the information, DHS and Commerce would be unable to carry out the responsibilities assigned by law.

Affected Public: Federal, State or local government; not-for-profit institutions.

Frequency: On occasion.

Respondent’s Obligation: Required to obtain or retain a benefit.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 or via the Internet at dHynek@doc.gov.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Wendy L. Liberante, OMB Desk Officer, Fax number (202) 395–5167 or via the Internet at Wendy_L_Liberante@omb.eop.gov.

Gwellnar Banks, Management Analyst, Office of the Chief Information Officer.

Foreign-Trade Zones Board

Docket 69–2010

Proposed Foreign-Trade Zone—Terrebonne Parish, LA; Under Alternative Site Framework; Application Filed

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Houma-Terrebonne Airport Commission to establish a general-purpose foreign-trade zone at sites in Terrebonne Parish, Louisiana, adjacent to the Morgan City Customs and Border Protection (CBP) port of entry, under the alternative site framework (ASF) adopted by the Board (74 FR 1170–1173, 1/12/09 [correction 74 FR 3987, 1/22/09]; 75 FR 71069–71070, 11/22/10). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on December 6, 2010. The applicant is authorized to make the proposal under the Louisiana Revised Statutes, Title 51, Sections 61–65.

The proposed zone would be the second general-purpose zone for the Morgan City CBP port of entry. The existing zone is as follows: FTZ 261, Alexandria, Louisiana (Grantee: Board of Commissioners of the England Economic and Industrial Development District, Board Order 1325, 4/21/2004). The applicant’s proposed service area under the ASF would be Terrebonne Parish, Louisiana. If approved, the applicant would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The proposed service area is adjacent to the Morgan City Customs and Border Protection port of entry. The proposed zone would initially include two “magnet” sites in Terrebonne Parish: Proposed Site 1

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title: Vessel Monitoring System Requirements in the Western Pacific Pelagic Longline Fishery, American Samoa Longline and Commonwealth of the Northern Mariana Islands Bottomfish Fisheries.

OMB Control Number: 0648–0441.

Form Number(s): NA.

Type of Request: Regular submission (extension of a current information collection).

Number of Respondents: 208.

Average Hours Per Response:
Installation of vessel monitoring system (VMS), 4 hours; replacement, two hours, maintenance/repair, one hour and 30 minutes.

Burden Hours: 170.

Needs and Uses: As part of the Western Pacific Management Plan, authorized under the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 et seq.), vessels registered to Hawaii longline limited entry permits, large (greater than 50 ft. overall length) vessels registered to American Samoa longline limited entry permits, and medium (greater than 40 ft. overall length) and large vessels registered to Commonwealth of the Northern Mariana Islands (CNMI) bottomfish permits must have satellite-based vessel monitoring systems (VMS) installed and operating during all fishing operations. VMS data are used to monitor compliance with closed and prohibited fishing areas (including Marine National Monument areas closed to commercial fishing), and verification of logbook reports, among other compliance and verification purposes. This renewal includes the consolidation of VMS requirements from currently approved OMB Control Numbers 0648–0441 (VMS requirements for the Hawaii longline fishery), 0648–0519 (VMS requirements for the American Samoa longline fishery), and 0648–0584 (permitting, vessel identification, and VMS requirements for the commercial bottomfish fishery in the CNMI) into 0648–0441.

Affected Public: Business or other for-profit organizations.

Frequency: Annually.

Respondent’s Obligation: Mandatory.

OMB Desk Officer: OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov.

Gwellnar Banks, Management Analyst, Office of the Chief Information Officer.

DEPARTMENT OF COMMERCE
International Trade Administration
[A–580–816]
Corrosion-Resistant Carbon Steel Flat Products From the Republic of Korea: Notice of Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review
AGENCY: Import Administration, International Trade Administration, Department of Commerce.

Background
On September 22, 2009, the U.S. Department of Commerce (Department) published a notice of initiation of the administrative review of the antidumping duty order on corrosion-resistant carbon steel flat products from Korea, covering the period August 1, 2008, to July 31, 2009. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, 74 FR 48224 (September 22, 2009). On September 14, 2010, the Department published the preliminary results of this review. See Certain Corrosion-Resistant Carbon Steel Flat Products From the Republic of Korea: Notice of Preliminary Results of the Sixteenth Antidumping Duty Administrative Review, 75 FR 55769 (September 14, 2010). The final results of this review are currently due no later than January 12, 2011.

Extension of Time Limit of the Final Results
Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of a review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. See also 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the final results of this review within the original time limit because we scheduled post-preliminary results verifications, which we just completed and have not yet issued the verification reports. Therefore, the Department is fully extending the time limit for the final results. The final results are now due no later than March 13, 2011. As that day falls on a Sunday, the final results are due no later than March 14, 2011. See Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant of the Tariff Act of 1930, As Amended, 70 FR 24533 (May 10, 2005).

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2). This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 6, 2010.
Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF COMMERCE
National Oceanic and Atmospheric Administration
Availability of Seats for the Hawaiian Islands Humpback Whale National Marine Sanctuary Advisory Council and Extension of Application Deadline
AGENCY: Office of National Marine Sanctuaries (ONMS), National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).
ACTION: Notice and request for applications and extension of deadline.

SUMMARY: The ONMS is seeking applications for the following vacant seats on the Hawaiian Islands Humpback Whale National Marine Sanctuary Advisory Council: Honolulu County (primary only), Research (alternate only), Commercial Shipping, Whale Watching, Ocean Recreation, Business/Commerce, Citizen-at-Large, Conservation, Tourism, Lanai Island Representative, and Molokai Island Representative. Applicants are chosen based upon their particular expertise and experience in relation to the seat for which they are applying; community and professional affiliations; philosophy regarding the protection and management of marine resources; and possibly the length of residence in the area affected by the sanctuary. Applicants who are chosen as members should expect to serve two-year terms, pursuant to the council’s charter.

DATES: Applications are due by 15 January 2011.

ADDRESSES: Application kits may be obtained from Joseph Paulin, 6600
