No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act 8 and Rule 19b–4(f)(6) thereunder 9 because the proposal does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) by its terms, become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.10

The Exchange has requested that the Commission waive the 30-day operative delay period. The Commission hereby grants the request. The Commission notes that the proposal is nearly identical to the rules of another exchange.11 Therefore, the Commission believes it is consistent with the protection of investors and the public interest to waive the 30-day operative delay and designates the proposal as operative upon filing.12

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.13

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

• Use the Commission’s Internet comment form http://www.sec.gov/rules/sro.shtml; or
• Send an e-mail to rule-comments@sec.gov. Please include File Number SR–NYSEAmex–2010–114 on the subject line.

Paper Comments

• Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549–1090. All submissions should refer to File Number SR–NYSEAmex–2010–114. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site http://www.sec.gov/rules/sro.shtml. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and printing in the Commission’s Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR–NYSEAmex–2010–114 and should be submitted on or before January 4, 2011.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.14

Florence E. Harmon, Deputy Secretary.

A discussion was held on possible methodology for research and gap analysis. Solicitations on how to organize the gathered data and compile lists was sought. It was stated that it is important that topics don’t get missed during the first pass of data sorting. To help with this work, Mr. Michael Mitchell volunteered to be a liaison to the PCI Standards organization. He stated that they have a small business section with lots of potentially valuable information and would be happy to work with them on behalf of the Task Force to gather information from them.

The discussion evolved into the need for resources and a software tool to capture, store, and list all of the gathered data. This discussion highlighted the need for qualitative caveats, as the amount of information such as certification and training resources could be enormous. The issue of funding and licenses for the purpose of this project was discussed. A question on Task Force funding was asked. Mr. Pickens stated that an appropriation of finances was included within the authorizing law to support the Task Force. Mr. Pickens agreed to consult the appropriate parties to determine if it was indeed allocated.

During the open floor portion of the meeting, Mr. Terry Erdle volunteered to interface on behalf of CompTIA to the list of Trade Associations, as CompTIA functions both as a certifying body and a Trade Association for the computing technology industry itself. Mr. Aaron Berstein then volunteered to contact Microsoft to inquire into the possibility of Microsoft providing an online collaborative space software tool for use. Additionally, Dr. Babita Gupta volunteered to look at resources within the nonprofit and academia sectors for available research that would be helpful to the Task Force.

At the conclusion of the meeting, everyone was instructed to take away the draft work plan handout as a starting point for brainstorming how to handle the task of gathering, sorting, and reporting back on the data. Responses on the document were requested to be provided to Mr. Pickens by Friday, December 3, 2010, who will then consolidate them all into a single document for discussion at the next meeting.

The meeting was adjourned at 1:42 p.m.

SMALL BUSINESS ADMINISTRATION

Patriot Express Pilot Loan Initiative

AGENCY: U.S. Small Business Administration (SBA).

ACTION: Notice of extension of the Patriot Express Pilot Loan Initiative.

SUMMARY: This notice extends the Patriot Express Pilot Loan Initiative in its current form through December 31, 2013. This pilot initiative, established in 2007, was designed to increase lending to small businesses owned by members of the military community. It is based on the SBA Express model which uses streamlined documentation but provides a higher SBA guaranty of 85 percent for loans of $150,000 or less and 75 percent for loans greater than $150,000 up to $500,000.

DATES: The Patriot Express Pilot Loan Initiative is extended through December 31, 2013.

FOR FURTHER INFORMATION CONTACT:
Grady B. Hedgespeth, Director, Office of Financial Assistance, U.S. Small Business Administration, 409 Third Street, SW., Washington, DC 20416; Telephone (202) 205–6490; grady.hedgespeth@sba.gov.

SUPPLEMENTAL INFORMATION: The Patriot Express Pilot Loan Initiative was established in 2007 and was based on the Agency’s SBA Express Program. Lenders approved for participation in Patriot Express are authorized to use the expedited loan processing procedures in place for SBA Express, in order to specifically support lending to small businesses owned by eligible members of the military community. To encourage lenders to make these loans, SBA provides its full 75–85 percent guaranty, rather than the 50 percent guaranty the Agency provides under SBA Express. Also, the maximum loan amount under this pilot initiative is $500,000.

On June 22, 2007, SBA published a notice in the Federal Register announcing the program. (72 FR 34501) Since the program was implemented, more than 6,800 Patriot Express loans have been approved. SBA believes it is premature to assess the results of this pilot initiative at this time because most of the loans in the pilot were made in the last two years and there has not been sufficient time to measure their performance. An extension of this pilot for an additional three years will allow SBA time to better evaluate the results of the program and determine whether changes need to be made.

Authority: 15 U.S.C. 636(a)(25); 13 CFR 120.3.

Grady B. Hedgespeth,
Director, Office of Financial Assistance.
