GENERAL SERVICES ADMINISTRATION

[2010-PBS-2; Docket 2010-0005; Sequence 15]

Notice of Intent To Prepare an Environmental Assessment, Request for Comments on Environmental Issues, and Notice of Public Scoping Meeting

AGENCY: Public Building Services (PBS); General Services Administration (GSA).

ACTION: Notice of intent to prepare an Environmental Assessment, request for comments on Environmental Issues, and Notice of Public Scoping Meeting.

SUMMARY: The General Services Administration (GSA) will prepare an Environmental Assessment (EA) that will analyze and discuss the environmental impacts of constructing and operating a proposed new Downtown Federal Building in Kansas City, Missouri. Through the project, GSA proposes to relocate its current operations from the Bannister Federal Complex in Kansas City, Missouri, and co-locate with other federal tenants at a proposed new Downtown Federal Building. The target property(ies) subject to this proposed action are those within an area bounded by 11th Street on the north, 12th Street on the south, Charlotte Street on the east, and Cherry Street on the west (known as city blocks 99 and 100), and could also include some level of development of 701 E. 12th Street, bounded by 12th Street, on the north, 13th Street, on the south, Holmes Street, on the west and Charlotte Street on the east. City blocks 99 and 100 lie within the downtown East Village development and tax increment financing (TIF) district, on the East-side of downtown, in Missouri's 5th Congressional District. In the EA, GSA will discuss impacts that could occur as a result of the construction and operation of the proposed project. GSA will also evaluate the "No Action" and other reasonable alternatives to the proposed project, or portions of the project, and consider how to lessen or avoid impacts on the various resource areas.
