The information collection is currently authorized by OMB Control Number 1076-0062, which expires on March 31, 2010.

Lynn Forcia, Chief, Division of Workforce Development at (202) 219-5270.

SUPPLEMENTARY INFORMATION:

I. Abstract

The IEED is seeking renewal of the approval for the information collection conducted under 25 CFR part 26 to administer the job placement and training program, which provides vocational/technical training, related counseling, guidance, job placement services, and limited financial assistance to Indian individuals who are not less than 18 years old and who reside within the Department of the Interior (DOI) approved service areas. This information collection includes a form: BIA-8205, Application for Job Placement and/or Training Assistance. Approval for this collection expires March 31, 2010.

This renewal will adjust the responses and burden hours that are currently approved to correct for a database entry error that occurred in the last submission that quadrupled the number of responses and burden hours. The 60-day notice and 30-day notice for the current approval reflected the current number of responses and burden hours, as does this notice. The database will be corrected to reflect these figures through a change due to adjustment in agency estimate.

II. Request for Comments

The IEED requests that you send your comments on this collection to the location listed in the **ADDRESSES** section. Your comments should address: (a) The necessity of the information collection

for the proper performance of the agencies, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents, such as through the use of automated collection techniques or other forms of information technology.

Please note that an agency may not sponsor or conduct, an individual need not respond to, a collection of information unless it has a valid OMB Control Number. This information collection expires March 31, 2010.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section during the hours of 9 a.m. and 5 p.m., Eastern Time, Monday through Friday except for legal holidays. Before including your address, phone number, e-mail address or other personally identifiable information, be advised that your entire comment—including your personally identifiable information—may be made public at any time. While you may request that we withhold your personally identifiable information, we cannot guarantee that we will be able to do so.

Form: Form OR 2812-6, Report of Road Use.

OMB Number: 1004-0168.

Type of Review: Extension of a currently approved information collection.

Abstract: This collection of information pertains to the management of tramroads and logging roads over public lands administered by the BLM, including the Revested O. and C. Railroad Grant Lands and Reconveyed CBWR lands. On these lands in western Oregon, the BLM Oregon State Office has authority under the Act of August 28, 1937 (43 U.S.C. 1181a and 1181b) and Subchapter V of the Federal Land Policy and Management Act (43 U.S.C. 1761-1771) to grant rights-of-way to private landowners to transport their timber over BLM-controlled roads. These rights-of-way are in the form of permits or reciprocal right-of-way agreements.

Each right-of-way permit or agreement requires the holder to provide the BLM with a certified statement, on Form OR 2812-6 (Report of Road Use), disclosing the amount of timber removed, the lands from which the timber was removed, and the BLM roads used to transport the timber. The BLM uses the information to determine the amount of charges for such use. Responses are mandatory.

Frequency of Collection: On occasion for all aspects of this information collection.

Annual Burden Hours: 272 responses with 8 hours per response totals 2,176 burden hours.

Annual Non-hour Burden Cost: There are no processing fees associated with this collection.

Comments: As required in 5 CFR 1320.8(d), the BLM published the 60-day notice in the **Federal Register** on June 16, 2010 (75 FR 34150) soliciting comments from the public and other interested parties. The comment period closed on August 16, 2010. The BLM did not receive any comments from the public in response to this notice, and

did not receive any unsolicited comments.

The BLM now requests comments on the following subjects:

1. Whether the collection of information is necessary for the proper functioning of the BLM, including whether the information will have practical utility;
2. The accuracy of the BLM's estimate of the burden of collecting the information, including the validity of the methodology and assumptions used;
3. The quality, utility and clarity of the information to be collected; and
4. How to minimize the information collection burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other forms of information technology.

Please send comments to the addresses listed under **ADDRESSES**. Please refer to OMB Control Number 1004-0168 in your correspondence.
