Meeting of the Regional Resource Stewardship Council

AGENCY: Tennessee Valley Authority (TVA).

ACTION: Notice of Meeting.

SUMMARY: The TVA Regional Resource Stewardship Council (RRSC) will hold a meeting on Wednesday, January 19 and Thursday, January 20, 2011, to consider various matters.

The RRSC was established to advise TVA on its natural resource stewardship activities. Notice of this meeting is given under the Federal Advisory Committee Act (FACA), 5 U.S.C. App. 2.

The management of the Tennessee Valley reservoirs and the lands adjacent to them has long been an integral component of TVA's mission. As part of implementing the TVA Environmental Policy, TVA is developing a Natural Resource Plan (NRP) that will help prioritize techniques for the management of TVA's biological and cultural resource management activities, recreation management activities, water resource protection and improvement activities, and lands planning. In accordance with the National Environmental Policy Act, TVA is also developing an accompanying Environmental Impact Statement (EIS) in which TVA will evaluate the preferred strategy for the NRP, as well as other viable alternative strategies.

TVA would like to utilize the RRSC as a key stakeholder group throughout the development of the NRP to advise TVA on the issues, tradeoffs, and focus of environmental stewardship activities. At the January 2011 meeting, TVA will be seeking advice from the RRSC on issues regarding the key programs in each resource area, the management options and scenario planning described in the NRP, and the valuation of natural resource programs.
