History

Federal Register Document FAA-2010-0354, Airspace Docket No. 10-AAL-10, published on Tuesday, October 12, 2010 [75 FR 62457] establishes Class E airspace at Port Clarence CGS Airport, Port Clarence, AK. The airspace description referred to the Anchorage Arctic CTA/FIR boundary as a limitation of the western boundary of the Class E airspace area. This reference is in error and is corrected by substituting the actual coordinates of the boundary. The airport reference point coordinates also contained an error caused by rounding. This action corrects that error. The correct full legal description is provided below.
