Federal Emergency Management Agency

44 CFR Part 65

[Docket ID FEMA-2010-0003]

Changes in Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: Modified Base (1% annual-chance) Flood Elevations (BFEs) are finalized for the communities listed below. These modified BFEs will be used to calculate flood insurance premium rates for new buildings and their contents.

DATES: The effective dates for these modified BFEs are indicated on the following table and revise the Flood Insurance Rate Maps (FIRMs) in effect for the listed communities prior to this date.

ADDRESSES: The modified BFEs for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

FOR FURTHER INFORMATION CONTACT: Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646-4064, or (e-mail) luis.rodriquez1@dhs.gov.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) makes the final determinations listed below of the modified BFEs for each community listed. These modified BFEs have been published in newspapers of local circulation and ninety (90) days have elapsed since that publication. The Deputy Federal Insurance and Mitigation Administrator has resolved any appeals resulting from this notification.

The modified BFEs are not listed for each community in this notice. However, this final rule includes the

address of the Chief Executive Officer of the community where the modified BFE determinations are available for inspection.

The modified BFEs are made pursuant to section 206 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

For rating purposes, the currently effective community number is shown and must be used for all new policies and renewals.

The modified BFEs are the basis for the floodplain management measures that the community is required either to adopt or to show evidence of being already in effect in order to qualify or to remain qualified for participation in the National Flood Insurance Program (NFIP).

These modified BFEs, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities.

These modified BFEs are used to meet the floodplain management requirements of the NFIP and also are used to calculate the appropriate flood insurance premium rates for new buildings built after these elevations are made final, and for the contents in those buildings. The changes in BFEs are in accordance with 44 CFR 65.4.

National Environmental Policy Act. This final rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Consideration. An environmental impact assessment has not been prepared.

Regulatory Flexibility Act. As flood elevation determinations are not within the scope of the Regulatory Flexibility Act, 5 U.S.C. 601–612, a regulatory flexibility analysis is not required.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This final rule involves no policies that have federalism implications under Executive Order 13132, Federalism.

Executive Order 12988, Civil Justice Reform. This final rule meets the applicable standards of Executive Order 12988.

SUPPLEMENTARY INFORMATION:

I. Statutory Authority

This final rule is published under the authority granted to the Secretary of the United States Department of Health and Human Services (Secretary) by sections 1102, 453, 453A, 454, 454A, and 463 of the Act. Section 1102 of the Act, 42 U.S.C. 1302, authorizes the Secretary to publish regulations that may be necessary for the efficient administration of the Child Support Enforcement program authorized under title IV-D of the Act (IV-D program).

The provisions of this final rule pertaining to the Federal Parent Locator Service (Federal PLS) implement section 453 of the Act, 42 U.S.C. 653. Section 453 requires the Secretary to establish and conduct a Federal PLS to obtain and transmit specified information only to authorized persons for purposes of establishing parentage, or establishing, modifying, or enforcing child support obligations. Section 453 of the Act, 42 U.S.C. 653, also authorizes the Secretary to disclose information in the Federal PLS to the State Child Support Enforcement program (authorized under title IV-D of the Act), Temporary Assistance for Needy Families program (TANF or IV-A program authorized under title IV-A of the Act), Child Welfare Services program (IV-B program authorized

under title IV-B of the Act), and Foster Care and Adoption Assistance program (IV-E program authorized under title IV-E of the Act) to assist States in carrying out their responsibilities under those programs. Section 463 of the Act, 42 U.S.C. 663, also permits States to use information in the Federal PLS for the purpose of enforcing any Federal or State law with respect to a parental kidnapping or making or enforcing a child custody or visitation determination. In addition, the provisions of this final rule pertaining to the State Parent Locator Service (State PLS) implement section 454(8), 42 U.S.C. 654(8), which requires each State IV-D program to establish a State PLS to locate parents by exchanging data with the Federal PLS and utilizing other information sources and records in the State.

Several sections of the Act require safeguarding measures for information contained in State and Federal databases, including the National Directory of New Hires (NDNH) and the Federal Case Registry (FCR). Section 454(8) requires States receiving funding under title IV-D to have a State plan providing that the State IV-D program will: (1) Establish a service to locate parents utilizing all sources of information and available records and the Federal PLS; and (2) disclose the information described in sections 453 and 463 only to the "authorized persons" specified in sections 453 and 463, subject to the privacy safeguards in section 454(26) of the Act. In addition, sections 453(m) and 463(c) restrict disclosure of confidential information maintained by the Federal PLS only to an "authorized person" for an authorized purpose and require the Secretary to establish and implement safeguards designed to restrict access to confidential information in the Federal PLS to authorized persons for authorized purposes. Section 453(l), 42 U.S.C. 653(l), also specifies that information in the Federal PLS shall not be used or disclosed except as expressly provided in section 453. Section
