Fifth. In addition, CBAMS II will result in a survey tool—a limited set of questions—that can be used in follow-on research studies to identify the likely segment of a survey respondent. Also, the survey will probe further into respondents’ views about the use of Administrative Records and other data sources to get a complete count of the population without direct interviews.

II. Method of Collection

CBAMS II will be administered to a sample of adults. Most interviews will be selected through random-digit dialing and administered via Computer Assisted Telephone Interviewing (CATI), while a small portion of the interviews will be conducted in-person. The CATI interviews will be conducted on both landline and cellular telephones. The cellular phone sample is designed to reach the young, unattached, mobile population, while the in-person interviews target hard-to-count populations including linguistically isolated Hispanics and Asians, American Indians on reservations, and the rural, economically disadvantaged population.

Stainless Steel Plate in Coils From Belgium: Extension of Time Limit for Preliminary Results of the Countervailing Duty Administrative Review  
AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT:  
Mary Kolberg at (202) 482–1785 or David Neubacher at (202) 482–5823; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.  
SUPPLEMENTARY INFORMATION:  
Background  
On June 30, 2010, the Department of Commerce (“the Department”) published a notice of initiation of administrative review of the countervailing duty order on stainless steel plate in coils from Belgium, covering the period January 1, 2009, through December 31, 2009. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part, 75 FR 37759, 37763 (June 30, 2010). The preliminary results of this administrative review are currently due no later than January 31, 2011.  
Statutory Time Limits  
Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results of review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Extension of Time Limit for Preliminary Results  
The Department requires additional time to review, analyze, and verify submitted information and to issue supplemental questionnaires. Therefore, it is not practicable to complete this review within the originally anticipated time limit, and the Department is extending the time limit for completion of the preliminary results by 120 days to no later than May 31, 2011, in accordance with section 751(a)(3)(A) of the Act. Accordingly, the deadline for completion of the preliminary results is now no later than May 31, 2011.  
We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

SUPPLEMENTARY INFORMATION:

Scope of the Orders

other stainless steel vessels, all for
cooking on stove top burners, except tea
kettles and fish poachers.

On January 24, 1997, and June 17, 1997,
respectively, the Department revoked, in
part, these orders with respect to certain
merchandise, as a result of changed
circumstances reviews. See Certain
Stainless Steel Cooking Ware From the
Republic of Korea: Final Results of
Changed Circumstances Antidumping

Revocation in Part of Antidumping Duty
Order, 62 FR 3662 (January 24, 1997);

(June 17, 1997).

The subject merchandise is currently
classifiable under Harmonized Tariff

description remains dispositive.

Background

On January 20, 1987, the Department
published, in the Federal Register, the
antidumping and countervailing duty
orders on cookware from Korea. See
Antidumping Duty Order; Certain
Stainless Steel Cooking Ware From the
Republic of Korea, 52 FR 2139 (January
20, 1987); and Countervailing Duty
Order; Certain Stainless Steel Cooking
Ware From the Republic of Korea, 52 FR
2140 (January 20, 1987). In two
subsequent sunset reviews of the
antidumping and countervailing duty
orders, based on affirmative decisions
by the Department and the International
Trade Commission, the antidumping
and countervailing duty orders on
cookware from Korea were continued.
See Continuation of Antidumping Duty
Orders and Countervailing Duty Orders:
Top-of-the-Stove Stainless Steel Cooking
Ware From Taiwan and Korea, 65 FR
20801 (April 18, 2000); Top-of-the-Stove
Stainless Steel Cooking Ware From the
Republic of Korea; Continuation of the
Antidumping Duty Order, 70 FR 69739
(November 17, 2005); and Continuation
of Countervailing Duty Order: Top-of-
the-Stove Stainless Steel Cookware From
South Korea, 70 FR 70985 (November
22, 2005).

On October 1, 2010, the Department
initiated the current sunset reviews of
the antidumping and countervailing
duty orders on cookware from Korea,
pursuant to section 751(c) of the Act. See
Initiation Notice. We received no
response to the notice of initiation from
the domestic industry by the applicable
deadline. See 19 CFR 351.218(d)(1)(i).
As a result, the Department has
determined that no domestic interested
party intends to participate in the sunset
reviews. On October 27, 2010 we
notified the International Trade
Commission, in writing, that we intend to
revoke the antidumping and
countervailing duty orders on cookware

Revocation

Pursuant to section 751(c)(3)(A) of the
Act and 19 CFR 351.218(d)(1)(iii)(B)(3)
and 19 CFR 351.222(f)(1)(i), if no
interested parties respond to a notice of
initiation, the Department shall, within
90 days after the initiation of the review,
revise the order. Because no domestic
interested party filed a notice of intent
to participate in these reviews, the
Department finds that no domestic
interested party is participating in the
reviews. Thus, we are revoking the
antidumping and countervailing duty
orders on cookware from Korea.

Effective Dates of Revocation

The effective date of revocation of the
antidumping duty order is November
17, 2010; the effective date of revocation
for the countervailing duty order is
November 22, 2010. These dates are the
fifth anniversaries of the date of
publication in the Federal Register of
the most recent notice of continuation of the
antidumping and countervailing
duty orders, respectively.

Pursuant to sections 751(c)(3)(A) and
751(c)(6)(A)(ii) of the Act, and 19 CFR
351.222(f)(1)(i), the Department intends
to notify U.S. Customs and Border
Protection to terminate the suspension
of liquidation of the merchandise
subject to the antidumping duty and
countervailing duty orders entered, or
withdrawn from warehouse, for
consumption on or after November 17,
2010, and on or after November 22,
2010, respectively.

Entries of subject merchandise prior
to the effective dates of revocation will
continue to be subject to suspension of
liquidation and antidumping duty and
countervailing duty cash deposit
requirements. The Department will
complete any pending administrative
reviews of these orders and will conduct
administrative reviews of subject
merchandise entered prior to the
effective dates of revocation in response
to appropriately filed requests of review.

These five-year (sunset) reviews and
notice are issued and published in
accordance with sections 751(c) and
777(i)(1) of the Act.

Christian Marsh,
Acting Deputy Assistant Secretary for Import
Administration.
