

DEPARTMENT OF COMMERCE**International Trade Administration****[A-570-868]****Folding Metal Tables and Chairs From the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the New Shipper Review**

AGENCY: Import Administration, International Trade Administration, Department of Commerce

DATES: *Effective Date:* January 6, 2011.

FOR FURTHER INFORMATION CONTACT: Lilit Astvatsatryan or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-6412 or (202) 482-0650, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On July 29, 2010, the Department of Commerce ("the Department") published the initiation of the new shipper review of the antidumping duty order on folding metal tables and chairs from the People's Republic of China ("PRC"). See *Folding Metal Tables and Chairs: Initiation of New Shipper Review*, 75 FR 44767 (July 29, 2010). This review covers the period June 1, 2009, through May 31, 2010. The preliminary results of review are currently due no later than January 19, 2011.

Extension of Time Limit for Preliminary Results of Review

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated. The Department may, however, extend the 180-day period for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

The Department finds that this case is extraordinarily complicated. Specifically, this case is extraordinarily complicated due to issues involving the universe of sales under review, affiliation, and surrogate country selection and valuation of factors of production. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act, the Department is extending the time period for completion of the preliminary

results of this review, which is currently due on January 19, 2011, by 60 days. Therefore, the preliminary results are now due no later than March 20, 2011. However, because March 20, 2011, falls on a weekend, the actual due date will be the first business day following the weekend, i.e., March 21, 2011. The final results continue to be due 90 days after the publication of the preliminary results.

This notice is published in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: December 28, 2010.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF COMMERCE**International Trade Administration****[A-201-836]****Light-Walled Rectangular Pipe and Tube From Mexico: Extension of Time Limit for Final Results of Antidumping Duty Administrative Review**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 6, 2011.

FOR FURTHER INFORMATION CONTACT: Brian Davis (Regiopytsa) or Edythe Artman (Maquilacero), AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 782-7924 or (202) 482-3931, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On September 13, 2010, the Department of Commerce (Department) published the preliminary results of the 2008/2009 administrative review of the antidumping duty order covering light-walled rectangular pipe and tube from Mexico. See *Light-Walled Rectangular Pipe and Tube from Mexico: Preliminary Results of Antidumping Duty Administrative Review*, 75 FR 55559 (September 13, 2010) (*Preliminary Results*). In the *Preliminary Results*, we invited parties to comment. See *Preliminary Results*, 75 FR at 55567. Respondent companies Nacional de Acero S.A. de C.V., Regiomontana de Perfiles y Tubos S.A. de C.V. (Regiopytsa), and Maquilacero S.A. de

C.V. (Maquilacero) submitted case briefs on October 13, 2010. On October 18, 2010, the domestic interested parties (Atlas Tube, Bull Moose Tube Company, and Searing Industries, Inc.), submitted a rebuttal brief to Maquilacero's case brief and requested that Regiopytsa's case brief be rejected because of improper service. Respondent Ternium Mexico S.A. de C.V. and its affiliates Hylsa S.A. de C.V., Galvak S.A. de C.V., and Industrias Monterrey S.A. de C.V., also submitted a rebuttal brief on October 18, 2010. On October 25, 2010, the Department accepted Regiopytsa's case brief but provided additional time for all interested parties to submit rebuttal comments on the brief. On October 27, 2010, the domestic interested parties submitted a rebuttal brief to Regiopytsa's case brief.

The current deadline for the final results of this review is January 11, 2011.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend the 120-day time period for the final results up to 180 days.

The Department finds that it is not practicable to complete this review within the original time frame because additional time is required to analyze some of the more complex issues raised by interested parties. For example, among other things, we need to further analyze cost adjustments related to revenues earned by Maquilacero on a special project and those related to sales of merchandise not produced during the period of review. Accordingly, the Department is extending the time limit for completion of the final results of this administrative review until no later than February 10, 2011, which is 150 days after the date on which the preliminary results of review were published.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: December 30, 2010.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
