FOR FURTHER INFORMATION CONTACT: Marilyn R. Abbott, Secretary to the Commission, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205–2000. The public version of the complaint can be accessed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>, and will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205–2000.

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission has received a complaint filed on behalf of Gaumard Scientific Company, Inc. on December 30, 2010. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain birthing simulators and associated systems. The complaint names as respondents Shanghai Honglian Medical Instrument Development Co., Ltd. of Shanghai, China and Shanghai Evenk International Trading Co., Ltd. of Shanghai, China.

The complainant, proposed respondents, other interested parties, and members of the public are invited to file comments, not to exceed five pages in length, on any public interest issues raised by the complaint. Comments should address whether issuance of an exclusion order and/or a cease and desist order in this investigation would negatively affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the orders are used in the United States;

(ii) Identify any public health, safety, or welfare concerns in the United States relating to the potential orders;

(iii) Indicate the extent to which like or directly competitive articles are produced in the United States or are otherwise available in the United States, with respect to the articles potentially subject to the orders; and

(iv) Indicate whether Complainant, Complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to an exclusion order and a cease and desist order within a commercially reasonable time.

Written submissions must be filed no later than by close of business, five business days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation.

Persons filing written submissions must file the original document and 12 true copies thereof on or before the deadlines stated above with the Office of the Secretary. Submissions should refer to the docket number ("Docket No. 2778") in a prominent place on the cover page and/or the first page. The Commission's rules authorize filing submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (*see Handbook for Electronic Filing Procedures*, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf). Persons with questions regarding electronic filing should contact the Secretary (202–205–2000).

Any person desiring to submit a document to the Commission in confidence must request confidential

treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of sections 201.10 and 210.50(a)(4) of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.50(a)(4)).

Issued: December 30, 2010.

By order of the Commission.

SUPPLEMENTARY INFORMATION:

Background.—On December 9, 2010, the Court of International Trade (per Judge Barzilay) issued an opinion in *NSK Corp. et al. v. United States*, Slip Op. 10-133 ("NSK V"). In that opinion, the Court has again affirmed-in-part and remanded-in-part the Commission's determinations in *Certain Bearings and Parts Thereof from Japan and the United Kingdom*, Inv. Nos. 731-TA-394-A & 399-A (Second Review) (Third Remand), USITC Pub. 4194 (Aug. 2010). In *NSK V*, the Court affirmed the Commission's determination not to cumulate subject imports from the United Kingdom because they would not likely have a discernible adverse impact. *NSK V* at 4-6. The Court also affirmed the Commission's negative determination with respect to the United Kingdom. *Id.* at 6.

As to the remaining issues with respect to the cumulated subject imports from France, Germany, Italy, and Japan, the Court again affirmed the Commission's findings that the cumulated imports would likely have significant volume and price effects. *Id.* at 7. Nevertheless, with respect to the likely impact by cumulated subject imports, the Court again remanded the issue to the Commission. *Id.* at 8-12.

Under the remand schedule ordered by the Court, the Commission was required to file a status report with the Court on December 20, 2010, advising the Court as to whether it would be re-opening the record on the likely impact issue. The Court also directed the parties to submit a proposed joint scheduling order for the fourth remand proceedings.

On December 20, 2010, the Commission filed the requested status report with the Court, advising the Court that it will not be re-opening the record. On December 20, 2010, the parties also submitted a proposed joint scheduling order. On December 22, 2010, the Court approved the proposed scheduling order and directed the Commission to file its fourth remand determination by March 1, 2011. Under the remand schedule ordered by the Court, Plaintiffs, Plaintiff-Intervenors, and Defendant-Intervenors may file their comments with the Court regarding the Commission's fourth remand determination by April 1, 2011.

Participation in the proceeding.—Only those persons who were interested

parties to the reviews (*i.e.*, persons listed on the Commission Secretary's service list) and parties to the appeal may participate in the remand proceeding. Such persons need not make any additional filings with the Commission to participate in the remand proceeding, unless they are adding new individuals to the list of persons entitled to receive business proprietary information under administrative protective order. Business proprietary information ("BPI") referred to during the remand proceeding will be governed, as appropriate, by the administrative protective order issued in the reviews.

Written submissions.—The Commission is not re-opening the record in this remand proceeding. The Commission will permit the parties to file comments pertaining to the specific issues that are the subject of the Court's remand instructions. Comments should be limited to no more than fifteen (15) double-spaced and single-sided pages of textual material. No appendices or other attachments are allowed. The parties may not themselves submit any new factual information in their comments and may not address any issue other than those that are the subject of the Court's remand instructions. Any such comments must be filed with the Commission no later than January 14, 2011.

All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 Fed. Reg. 68036 (Nov. 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Parties are also advised to consult with the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subpart A (19 CFR part 207) for provisions of general applicability concerning written submissions to the Commission.

By order of the Commission.
