Fresh Garlic From the People's Republic of China: Extension of Time Limit for the Final Results of New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 6, 2011.

FOR FURTHER INFORMATION CONTACT: Scott Lindsay, David Lindgren or Lingjun Wang, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-0780, (202) 482-3870, and (202) 482-2316, respectively.

Background

On November 1, 2010, the Department of Commerce (the Department) issued the preliminary results of the new shipper review of fresh garlic from the People's Republic of China for Jinxiang Chengda Imp & Exp Co., Ltd., Jinxiang Yuanxin Imp & Exp Co., Ltd., and Zhengzhou Huachao Industrial Co., Ltd. covering the period November 1, 2008, through October 31, 2009. *See Fresh Garlic From the People's Republic of China: Preliminary Results of New Shipper Reviews and Preliminary Rescission, in Part*, 75 FR 69415 (November 12, 2010). The final results of review are currently due January 30, 2011.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1), provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated, and the final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department concludes that a new shipper review is extraordinarily complicated, the Department may extend the 180-day period to 300 days, and may extend the 90-day period to 150 days. *See* 19 CFR 351.214(i)(2).

Extension of Time Limit for Final Results

The Department determines that these new shipper reviews involve extraordinarily complicated issues regarding the valuation and analysis of

certain factors of production. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for the final results from 90 days to 150 days. Thus, the final results will now be due no later than March 31, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i)(I) of the Act.

Dated: December 30, 2010.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Diamond Sawblades and Parts Thereof From the People's Republic of China: Initiation of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 6, 2011.

SUMMARY: The Department of Commerce ("Department") has determined that a request for a new shipper review ("NSR") of the antidumping duty order on diamond sawblades and parts thereof ("diamond sawblades") from the People's Republic of China ("PRC"), received on November 30, 2010, meets the statutory and regulatory requirements for initiation. The period of review ("POR") for this NSR is January 23, 2009 through October 31, 2010. In this instance, Hanson Diamond Tools (Danyang) Co., Ltd. ("Hanson") made a sale of subject merchandise during the POR as specified by the Department's regulations.

FOR FURTHER INFORMATION CONTACT: Ricardo Martinez, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* 202-482-4532.

SUPPLEMENTARY INFORMATION:

Background

The antidumping duty order on diamond sawblades from the PRC was published in the **Federal Register** on November 4, 2009. *See Diamond Sawblades and Parts Thereof From the People's Republic of China and the Republic of Korea: Antidumping Duty*

Orders, 74 FR 57145 (November 4, 2009) ("*Antidumping Duty Order*"). On November 30, 2010, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended ("Act"), the Department received an NSR request from Hanson. Hanson's request was timely made on November 30, 2010, November being the annual anniversary month of the *Antidumping Duty Order*. Hanson certified that it is both the producer and exporter of the subject merchandise upon which the request was based. Hanson also submitted a public version of its request, which adequately summarized proprietary information and provided explanations as to why certain proprietary information is not capable of summarization.

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), Hanson certified that it did not export subject merchandise to the United States during the period of investigation ("POI"). In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Hanson certified that, since the initiation of the investigation, it has never been affiliated with any Chinese exporter or producer who exported subject merchandise to the United States during the POI, including those respondents not individually examined during the POI. As required by 19 CFR 351.214(b)(2)(iii)(B), Hanson also certified that its export activities were not controlled by the central government of the PRC.

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv)(A), (B) and (C), Hanson submitted documentation establishing the following: (1) The date on which Hanson first shipped subject merchandise for export to the United States; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.

Period of Review

In accordance with 19 CFR 351.214(g)(1)(ii)(A), the POR for this NSR is January 23, 2009, through October 31, 2010.¹ For purposes of initiation, the Department accepts the contract dated within the POR as evidence that Hanson had a sale to the United States during the POR. However, the Department will consider further the proper date in the context of this NSR and whether that sale occurred during the POR.

¹ The POR begins January 23, 2009, because the suspension of liquidation began on January 23, 2009. *See* 19 CFR 351.214(g)(1)(ii)(A).
