Description of the Need for the Information and its Proposed Use

This survey provides the data necessary to measure the rate at which different types of new rental apartments and new condominium apartments are absorbed, that is, taken off the market, usually by being rented or sold, over the course of the first twelve months following completion of a building. The data is collected at quarterly intervals until the twelve months expire or until the units in a building are completely absorbed.

The survey also provides estimates of the characteristics of apartments being absorbed, and provides a basis for analyzing the degree to which apartment-building activity is meeting the present and future needs of the public. Data are collected under Title 12, U.S.C. 1701Z–1 and 2.

Members of Affected Public: Rental Agents/BUILDERS.

Frequency of Submission: Four times (maximum).

Total Estimated Burden Hours: 4,000.

Status: Extension of a currently approved collection.

Dated: January 4, 2011.

Departmental Reports Management Officer, Office of the Chief Information Officer.

SUMMARY: The purpose of this rental assistance program is to assist eligible families to pay their rent for decent, safe, and sanitary housing. This announcement awards Section 8 funds on an as-needed, non-competitive basis and does not include provisions associated with Notices of Funding Availability (NOFAs) offered competitively through grants.gov. Tenant protection voucher awards made to PHAs for program actions that displace families living in public housing were made on a first-come, first-served basis in accordance with PHV Notice 2007–10, Voucher Funding in Connection with the Demolition or Disposition of Occupied Public Housing Units. Announcements of awards provided under the NOFA process for Mainstream, Designated Housing, Family Unification (FUP), and Veterans Assistance Supportive Housing (VASH) programs will be published in a separate Federal Register notice. Awards published under this notice were provided (1) to assist families living in HUD-owned properties that are being sold; (2) to assist families affected by the expiration or termination of their project-based Section 8 and moderate rehabilitation contracts; (3) to assist families in properties where the owner has prepaid the HUD mortgage; (4) to provide relocation housing assistance in connection with the demolition of public housing; (5) to provide replacement housing assistance for single room occupancy (SRO) units that fail housing quality standards (HQS); and (6) to assist families in public housing developments that are scheduled for demolition in connection with a HUD-approved HOPE VI Revitalization or Demolition Grant. Additionally, housing choice vouchers were awarded to PHAs administering assistance to families that resided in certain Office of Multifamily Housing properties at the time of Hurricane Katrina or Rita. Some families were eligible to receive voucher assistance because owners of these properties subsequently decided to prepay the preservation eligible mortgage or the Section 8 project-based contract was terminated or not renewed.

A special housing fee of $200 per occupied unit was provided to PHAs to compensate the PHA for any extraordinary Section 8 administrative costs associated with the Multifamily housing conversion action.

The Department awarded total new budget authority of $145,768,063 for 17,726 housing choice vouchers to recipients under all of the above-mentioned categories.

In accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545), the Department is publishing the names, addresses, and amounts of those awards as shown in Appendix A alphabetically by State then by PHA name.

Dated: January 4, 2011.

Deborah Hernandez,
General Deputy Assistant Secretary for Public and Indian Housing.
