

SUMMARY: This notice announces action taken by the FHWA and other federal agencies that is final within the meaning of 23 U.S.C. 139(l)(1). This final agency action relates to a proposed highway project, Bonner Bridge Replacement Project along NC 12, from Rodanthe to Bodie Island in Dare County, North Carolina. The FHWA's Record of Decision (ROD) identifies the Parallel Bridge with NC 12 Transportation Management Plan as the selected alternative.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the final Federal agency actions on the highway project will be barred unless the claim is filed on or before July 10, 2011. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

The NC 12 Transportation Management Plan requires coastal monitoring and various studies of project area conditions

through the year 2060 on Hatteras Island and the Plan sets forth a process for planning and implementing possible future phases of the project. The FHWA's action, related actions by other Federal agencies and the laws under which such actions were taken, are described in the Final Environmental Impact Statement (FEIS)/Final Section 4(f) Evaluation for the project, approved on September 17, 2008; the Revised Final Section 4(f) Evaluation, approved on October 9, 2009; the Environmental Assessment, approved on May 7, 2010; and the FHWA ROD issued on December 20, 2010 approving the Bonner Bridge Replacement project, and in other documents in the project file.
