Veterans’ Employment and Training Service
Agency Information Collection Activities: Extension of Existing Information Collection; Comment Request

AGENCY: Veterans’ Employment and Training Service.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Veterans’ Employment and Training Service (VETS) is soliciting comments concerning the proposed extension of the currently approved information collection request for the “Federal Contractor Veterans’ Employment Report VETS–100” and the “Federal Contractor Veterans’ Employment Report VETS–100A.” A copy of the proposed information collection request can be obtained by contacting the office listed below in the ADDRESSES section of this Notice. There have been no changes to the current VETS–100 and the VETS–100A Reports. Each report has the same number of reporting elements.

DATES: Written comments must be submitted to the office listed in the ADDRESSES section below on or before March 14, 2011.

ADDRESSES: Comments are to be submitted to Robert Wilson, Director for the Division of Investigation and Compliance, VETS, U.S. Department of Labor, Room S–1316, 200 Constitution Avenue, NW., Washington, DC 20210. SUPPLEMENTARY INFORMATION:
I. Background

The Vietnam Era Veterans’ Readjustment Assistance Act of 1974 (“VEVRAA”), 38 U.S.C. 4212(d), requires Federal contractors and subcontractors subject to the Act’s affirmative action provisions in 38 U.S.C. 4212(a) to track and report annually to the Secretary of Labor the number of employees in their workforces, by job category and hiring location, who belong to the specified categories of covered veterans. VETS maintains two sets of regulations to implement the reporting requirements under VEVRAA, and uses two different forms for providing the required information on the employment of covered veterans.

The regulations set forth in 41 CFR part 61–250 require contractors that have a Government contract of $25,000 or more entered into before December 1, 2003, to use the Federal Contractor Veterans’ Employment Report VETS–100 (“VETS–100 Report”) form for reporting information on the number of covered veterans in their workforces.

The regulations set forth in 41 CFR part 61–300 implement amendments to the reporting requirements under VEVRAA that were made by the Jobs for Veterans Act (JVA) (Pub. L. 107–288) enacted in 2002. The JVA amended VEVRAA by: (1) Increased from $25,000 to $100,000, the dollar amount of the contract that subjects a Federal contractor to the requirement to report on veterans’ employment; and (2) changed the categories of covered veterans under VEVRAA, and thus the categories of veterans that contractors are required to track and report on annually.

The regulations in 41 CFR part 61–300 require contractors with a Government contract entered into or modified on or after December 1, 2003, in the amount of $100,000 or more to use the Federal Contractor Veterans’ Employment Report VETS–100A for reporting information on their employment of covered veterans under VEVRAA.

Both the VETS–100 and VETS–100A Reports are currently approved under OMB No. 1293–0005.

SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers’ Compensation Programs (OWCP) is the agency responsible for administration of the Longshore and Harbor Workers’ Compensation Act (LHWCA), 33 U.S.C. 901 et seq., and the Federal Employees’ Compensation Act (FECA), 5 U.S.C. 8101 et seq. Both of these Acts authorize OWCP to pay for approved vocational rehabilitation services to eligible workers with work-related disabilities. In order to decide whether to approve a rehabilitation plan, OWCP must receive a copy of the plan, supporting vocational testing materials and the estimated cost to implement the plan, broken down to show the fees, supplies, tuition and worker maintenance payments that are contemplated. OWCP also must receive the signatures of the worker and the rehabilitation counselor to show that the worker agrees to follow the proposed plan, and that the proposed plan is appropriate. Form OWCP–16 is the standard format for the collection of this information. The regulations implementing these statutes allow for the collection of information needed for OWCP to determine if a rehabilitation plan should be approved and payment of any related expenses should be authorized. This information collection is currently approved for use through May 31, 2011.
