The purpose of the Act is “to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world.” The funding authority for the program above is provided through legislation.

Purpose

Overview: The Hubert H. Humphrey Fellowship Program was established in 1978. The goal of the Humphrey Program is to strengthen U.S. interaction with professionals from developing and emerging countries who are well placed to address their countries’ development needs in key areas including public health, sustainable growth, and democratic institution-building, while providing participants with opportunities to develop professional expertise and leadership skills for public service in their countries. Candidates for the Humphrey Program are nominated by U.S. Embassies or binational Fulbright Commissions, based on the candidates’ professional backgrounds, academic qualifications, and leadership potential. By providing these emerging leaders with opportunities to understand U.S. society and culture and to participate with U.S. colleagues in current approaches to the fields in which they work, the Humphrey Program provides a basis for on-going cooperation between U.S. citizens and their professional counterparts in other countries.
