ACTION: Notice of limitation on claims for judicial review of actions by FHWA.

SUMMARY: This notice announces actions taken by the FHWA that are final within the meaning of 23 U.S.C. 139(l)(1). The actions relate to a proposed project, the SR 520 Pontoon Construction Project in the State of Washington. Those actions grant approval for the project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the project will be barred unless the claim is filed

within 180 days of the date of publication of this notice. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

SUPPLEMENTARY INFORMATION: Notice is hereby given that the FHWA has taken final agency actions by issuing approval for the following highway project: the SR 520 Pontoon Construction Project. The project includes constructing pontoons sufficient to replace the existing traffic capacity of the Evergreen Point Bridge, in the event of the bridge's catastrophic failure. The selected alternative includes constructing a new casting basin facility at the Aberdeen Log Yard site in Aberdeen, WA. The pontoons would be stored in case they are needed for catastrophic failure response or until they are incorporated into the proposed bridge replacement.

The actions by the FHWA on this project, and the laws under which such actions were taken, are described in the May 2010 Draft Environmental Impact Statement (EIS), the December 2010 Final EIS, the January 2011 Record of Decision (ROD), and in other documents in the FHWA administrative record for the project. The Draft EIS, the Final EIS, the ROD, and the other documents supporting the decision are available by contacting the FHWA or the Washington State Department of Transportation at the addresses provided above.

The Draft EIS, the Final EIS, and the ROD can be viewed and downloaded from the project Web site at <http://www.wsdot.wa.gov/Projects/SR520/Pontoons.htm> or viewed at local libraries in the project area.
