Fellowship Program And Guest Researcher Records Report of Modified or Altered System of Records

Narrative Statement

I. Background and Purpose of the System

A. Background

The Department of Health and Human Services proposes to alter System of Records, No. 09–20–0112 "Fellowship Program and Guest Researcher Records, HHS/CDC/AHRC." HHS is proposing to add the following Breach Response Routine Use Language to comply with the Office of Management and Budget (OMB) Memoranda (M) 07–16, Safeguarding Against and responding to the Breach of Personally Identifiable Information:

To appropriate federal agencies and Department contractors that have a need to know the information for the purpose of assisting the Department's efforts to respond to a suspected or confirmed breach of the security or confidentiality of information disclosed is relevant and necessary for that assistance.

B. Purpose

This system is utilized by the Centers for Disease Control and Prevention (CDC) officials for the purpose of review of applications and supporting documents in order to award fellowships; and for determinations regarding salary or stipend increases.

II. Authority for Maintenance of the System

Public Health Service Act, Section 207(g), 207(h), "Appointment of Personnel," Sections 208, "Pay and Allowances," and Section 301, "Research and Investigation" (42 U.S.C. 209(g), 209(h), 210 and 241).

III. Proposed Routine Use Disclosures of Data in the System

The Privacy Act allows us to disclose information without an individual's consent if the information is to be used for a purpose that is compatible with the purpose(s) for which the information was collected. Any such compatible use of data is known as a "routine use". The routine uses proposed for this System are compatible with the stated purpose of the System:

Disclosure may be made to a congressional office from the record of

an individual in response to a verified inquiry from the congressional office made at the written request of that individual.

The Department of Health and Human Services (HHS) may disclose information from this system of records to the Department of Justice, or to a court or other tribunal, when: (a) HHS, or any component thereof; or (b) any HHS employee in his or her official capacity; or (c) any HHS employee in his or her individual capacity where the Department of Justice (or HHS, where it is authorized to do so) has agreed to represent the employee; or (d) the United States or any agency thereof where HHS determines that the litigation is likely to affect HHS or any of its components, is a party to litigation or has an interest in such litigation, and HHS determines that the use of such records by the Department of Justice, the court or other tribunal is relevant and necessary to the litigation and would help in the effective representation of the governmental party, provided, however, that in each case, HHS determines that such disclosure is compatible with the purpose for which the records were collected.

Records may be disclosed by CDC in connection with public health activities to the Social Security Administration for sources of locating information to accomplish the research or program purposes for which the records were collected.

Records may be disclosed to appropriate federal agencies and Department contractors that have a need to know the information for the purpose of assisting the Department's efforts to respond to a suspected or confirmed breach of the security or confidentiality of information disclosed is relevant and necessary for that assistance.

IV. Effects of the Proposed System of Records on Individual Rights

The routine uses proposed for this System are compatible with the stated purpose of the System:

An individual may learn if a record exists about himself or herself by contacting the system manager at the address above. Requesters in person must provide driver's license or other positive identification. Individuals who do not appear in person must either: (1) submit a notarized request to verify their identity; or (2) certify that they are the individuals they claim to be and that they understand that the knowing and willful request for or acquisition of a record pertaining to an individual under false pretenses is a criminal offense under the Privacy Act subject to a \$5,000 fine.

Same as notification procedures. Requesters should also reasonably specify the record contents being sought. An accounting of disclosures that have been made of the record, if any, may be requested.

V. Safeguards

The records in this System are stored in file folders. Service fellow personnel data is also maintained in an automated database. The records in this System are retrieved by the name of the individual, fellow, or guest researcher.

The records in this System have the following safeguards in place to maintain and protect the information as it relates to Authorized users, physical and procedural safeguards:

Authorized users—Access is granted to only a limited number of physicians, scientists, statisticians, and designated support staff of the Centers for Disease Control and Prevention (CDC), or its contractors, as authorized by the system manager to accomplish the stated purposes for which the data in this system have been collected.

Physical Safeguards—Locked cabinets in locked rooms, electronic anti-intrusion devices in operation at the Federal Records Center (FCR), 24-hour guard service in buildings, personnel screening of visitors, access codes for automated database.

Procedural Safeguards—Users of individually identified data protect information from public scrutiny, and only specifically authorized personnel may be admitted to the record storage area. CDC employees who maintain records are instructed to check with the system manager prior to making disclosure of data.

Implementation Guidelines: The safeguards outlined above are developed in accordance with Chapter 45–13 of the HHS General Administration Manual. FRC safeguards are in compliance with GSA Federal Property Management Regulations, Subchapter B—Archives and Records.

The records in this System are retained and disposed of in the following way: Records are maintained in agency for two years. Disposal methods include burning or shredding paper materials or transferring records to the Federal Personnel Center where records are retained in accordance with retention schedules.

VI. OMB Control Numbers, Expiration Dates, and Titles of Information Collection

A. *Full Title*: "Fellowship Program and Guest Researcher Records, HHS/CDC/AHRC."

OMB Control Number: 09–20–0112.

Expiration Date: TBD.

VII. Supporting Documentation

A. Preamble and Proposed Notice of System for publication in the **Federal Register**.

B. *Agency Rules*: None.

C. *Exemption Requested*: None.

D. *Computer Matching Report*: The new system does not require a matching report in accordance with the computer matching provisions of the Privacy Act.
