

Department to extend the 120-day period to 180 days.

Pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we determine that it is not practicable to complete the results of this review within the original time limit. The Department needs additional time to analyze novel issues related to creditworthiness, and the respondent's financial history. In accordance with section 751(a)(3)(A) of the Act, we have decided to extend the due date for the completion of the final results of this review from February 16, 2011, to April 17, 2011, 180 days after the date of publication of the *Preliminary Results*.

Because April 17, 2011, falls on a Sunday, it is the Department's long-standing practice to issue a determination the next business day when the statutory deadline falls on a weekend, federal holiday, or any other day when the Department is closed. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for the completion of these final results is now no later than April 18, 2011.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: January 18, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 25, 2011.

FOR FURTHER INFORMATION CONTACT: Krishna Hill, John Hollwitz, or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4037,

(202) 482-2336, or (202) 482-0650, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 30, 2010, the Department of Commerce ("the Department") published the initiation of the administrative review of the antidumping duty order on citric acid and certain citrate salts ("citric acid") from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 75 FR 37759 (June 30, 2010). This review covers the periods November 20, 2008, through May 19, 2009, and May 29, 2009, through April 30, 2010. The preliminary results of review are currently due no later than January 31, 2011.

Extension of Time Limit for Preliminary Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the preliminary results of the administrative review of citric acid from the PRC within this time limit. Among other things, additional time is needed to consider relevant evidence and parties' comments regarding selecting an appropriate surrogate country and surrogate values with which to value factors of production. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the preliminary results of this review, which is currently due on January 31, 2011, by 60 days. Therefore, the preliminary results are now due no later than April 1, 2011.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: January 18, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

The review covers the period June 1, 2009, through May 31, 2010. The preliminary results for this administrative review are currently due no later than March 2, 2011.

Extension of Time Limits for Preliminary Results
