3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Department has established the following measures as indicators of success for the AORC Program: Each grantee will be required to provide, in its annual performance and final reports, data about its progress in meeting these measures.

AORC Performance Measure 1: Percentage of AORC projects judged to be successful by the program officer, based on a review of information provided in annual performance reports.

AORC Performance Measure 2: Percentage of scholars who indicated they were "highly satisfied" with the services the center provided.

5. *Continuation Awards:* In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the

objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

BILLING CODE 4000-01-P

DEPARTMENT OF EDUCATION

Privacy Act of 1974; System of Records

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice of a new system of records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended (Privacy Act), 5 U.S.C. 552a, the Department of Education (Department) publishes this notice of a new system of records entitled "Indian Education—Individual Reporting on Regulatory Compliance Related to the Indian Education Professional Development Program's Service Obligation and the Government Performance and Results Act of 1993 (GPRA)" (18-14-05).

The Indian Education Professional Development program, authorized under title VII, part A of the Elementary and Secondary Education Act of 1965, as amended (ESEA), is designed to increase the number of, provide training to, and improve the skills of American Indian or Alaska Natives serving as teachers and school administrators in schools serving American Indian or Alaska Native students.

Section 7122(h) of the ESEA (20 U.S.C. 7442(h)) requires that individuals who receive financial assistance through the Indian Education Professional Development program subsequently complete a service obligation equivalent to the amount of time for which the participant received financial assistance. Participants who do not satisfy the requirements of the regulations must repay all or a pro-rated part of the cost of assistance, in accordance with 20 U.S.C. 7442(h) and 34 CFR 263.8(a)(3). The regulations in part 263 implement requirements governing, among other things, the service obligation and reporting requirements of the participants in the Indian Education Professional Development program, and repayment of financial assistance by these participants. In order for the Federal Government to ensure that the goals of the program are achieved, certain data collection, recordkeeping, and documentation are necessary.

In addition, GPRA requires Federal agencies to establish performance measures for all programs, and the Department has established performance measures for the Indian Education Professional Development program. Data collection from participants who have received financial assistance under the Indian

Education Professional Development program is a necessary element of the Department's effort to evaluate progress on these measures.

The Department tracks participants who are receiving or have previously received support through the Indian Education Professional Development program. Participants must sign a payback agreement that includes contact information. Additionally, the Department receives information about participants from institutions of higher education (IHEs) and other eligible grantees when participants are no longer receiving assistance through the Indian Education Professional Development program. When the performance period is complete, the participant data are collected from the grantee and also from the participants.

Records in the system pursuant to this notice may include the name, social security number, date of birth, mailing address, telephone number, e-mail address, and alternate contact information for each participant in the grant, as well as the name and contact information of a person through whom the participant can be contacted, the number of semesters or months for which the participant needs to provide service in order to satisfy the service payback obligation, the total amount of financial assistance the participant received, the time period during which the participant must satisfy the service payback obligation, eligible employment to fulfill the service payback obligation, contact information for employers, and grant identification numbers. In addition, participants may request an educational deferment, which requires verification of acceptance in a university/college program, enrollment as a full-time student, registration each semester, timely submission of semester transcripts, and documentation of the participant as a student in good standing. Participants also provide information about specific areas of training, certifications or licensures obtained, reasons for leaving the program before completion, gender, ethnic origin, and education history. Participants are responsible for obtaining letters signed by the participant's supervisor that verify the employment information provided by the participant. These letters must be submitted to the Department every six months until service payback is completed.

DATES: The Department seeks comment on the new system of records described in this notice, in accordance with the requirements of the Privacy Act. We must receive your comments on the

proposed routine uses for the system of records described in this notice on or before February 24, 2011.

The Department filed a report describing the new system of records covered by this notice with the Chair of the Senate Committee on Homeland Security and Governmental Affairs, the Chair of the House Committee on Oversight and Government Reform, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) on January 10, 2011. This system of records will become effective at the later date of—(1) the expiration of the 40-day period for OMB review on February 22, 2011 unless OMB waives 10 days of the 40-day review period for compelling reasons shown by the Department, or (2) February 24, 2011, unless the system of records needs to be changed as a result of public comment or OMB review.

ADDRESSES: Address all comments about the proposed routine uses to Lana Shaughnessy, Office of Indian Education, U.S. Department of Education, 400 Maryland Ave., SW., room 3E231, Washington, DC 20202–2600. Telephone: (202) 205–2528. If you prefer to send comments through the Internet, use the following address: oesed@ed.gov.

You must include the term “Indian Education Professional Development Program's Service Obligation” in the subject line of the electronic message.

During and after the comment period, you may inspect all comments about this notice at the Department in room 4154, 550 12th Street, SW., Washington, DC, between the hours of 8 a.m. and 4:30 p.m., Eastern Time, Monday through Friday of each week except Federal holidays.
