ACTION: Notice of Intent.

SUMMARY: In compliance with the National Environmental Policy Act of 1969 (NEPA), as amended, the Federal Land Policy and Management Act of 1976, as amended, and the California Environmental Quality Act, the Bureau of Land Management (BLM) Ridgecrest Field Office, Ridgecrest, California, cooperating with Kern County, intends to prepare an Environmental Impact Statement (EIS)/Environmental Impact Report (EIR), which may include an amendment to the California Desert Conservation Area (CDCA) Plan (1980 as amended) and by this notice is announcing the beginning of the scoping process to solicit public comments and identify issues.

The date(s) and location(s) of any scoping meetings will be announced at least 15 days in advance through local media, newspapers, and the BLM Web site at: http://www.blm.gov/ca/st/en/fo/cdd.html. In order to be included in the Draft EIS/EIR, all comments must be received prior to the close of the scoping period or 15 days after the last public meeting, whichever is later. The BLM will provide additional opportunities for public participation upon publication of the Draft EIS/EIR.

The proposed project would include wind turbines, access roads, and energy collection lines on 2,745 acres, of which 527 acres are on public land. Pursuant to the CDCA Plan, sites associated with power generation or transmission not identified in the CDCA Plan will be considered through the plan amendment process.

At present, the BLM has identified the following preliminary issues: Air quality and greenhouse gas emissions; biological resources, including special status species; cultural resources; geology and soils; hazards and hazardous materials; hydrology and water quality; land use, noise; recreation; traffic; visual resources; lands with wilderness characteristics; cumulative effects and areas of high potential for renewable energy development.

The BLM will utilize and coordinate the NEPA commenting process to provide for public involvement required by Section 106 of the National Historic Preservation Act (16 U.S.C. 470f) as described in 36 CFR 800.2(d)(3). Native American tribal consultations will be conducted in accordance with policy, and tribal concerns including impacts on Indian trust assets will be given due consideration.
