SUPPLEMENTARY INFORMATION:

This rule provides PSP policy fundamental to preventing unauthorized disclosure of sensitive and classified information that could cause irreparable damage to national security. The policy portion relating to HSPD–12 implements investigative and adjudicative policy for the Department’s personal identity verification credential.

Updates to the policy reflect Joint Security and Suitability Reform Team efforts to incorporate the foundational policy changes needed to implement reform. The Intelligence Reform and Terrorism Prevention Act of 2004, E.O. 13467, E.O. 12968, E.O. 10865, and HSPD–12 are some of the current Federal laws, directives and statutes that impact the DoD PSP. Since this rule was last published, additional executive orders have been issued directing alignment of security, suitability and reciprocal acceptance of prior investigations and favorable determinations.

The procedural guidance for the DoD PSP is currently being updated and will subsequently be proposed as rule codified at 32 CFR part 154. The investigative and adjudication procedural guidance for the DoD Federal personal identity verification credential pursuant HSPD–12 is undergoing coordination and will also be proposed a separate rule.

However, mental health counseling, where relevant to adjudication for classified access or to hold a sensitive position, may justify further inquiry to assess risk factors that may be relevant to the DoD PSP.

(e) The Department of Defense shall not discriminate on the basis of race, color, religion, sex, national origin, disability, or sexual orientation, and no inference may be raised solely on the basis of an individual’s sexual orientation.

(f) Discretionary judgments that determine eligibility for access to classified information, to hold a sensitive position, or perform a sensitive duty shall be clearly consistent with the interests of national security and any doubt shall be resolved in favor of national security.

(g) No person shall be deemed to be eligible for access to classified information, to hold a sensitive position, hold a DoD CAC, or perform a sensitive duty merely by reason of Federal service or contracting, licensee, certificate holder, or grantees status, or as a matter of right or privilege, or as a result of any particular title, rank, position, or affiliation.

(h) Eligibility for access to classified information, hold a sensitive position, or perform a sensitive duty shall be granted only to persons who are United States citizens for whom the investigative and adjudication process has been completed. However, based on mission needs, temporary eligibility may be granted prior to completion of the investigative and adjudicative process.

(i) As an exception, a non-U.S. citizen, who possesses an expertise that cannot be filled by a cleared or clearable U.S. citizen, may hold a sensitive position or granted a Limited Access Authorization for access to classified information in support of a specific DoD program, project, or contract.
