

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Northeast Region Gear Identification Requirements.

OMB Control Number: 0648-0351.

Form Number(s): NA.

Type of Request: Regular submission (extension of a current information collection).

Number of Respondents: 7,088.

Average Hours per Response: 1 minute to mark each piece of gear.

Burden Hours: 23,256.

Needs and Uses: This request is for extension of a current information collection.

As part of fishery management plans developed under the authority of the Magnuson-Stevens Fishery Conservation and Management Act (MSA), Federal fishing permit holders using specified fishing gear are required to mark that gear with specified information for the purposes of identification (*e.g.*, United States Coast Guard official vessel number, Federal permit number, or other methods identified in the regulations at 50 CFR 648-84 and others). The regulations specify how the gear is to be marked for the purposes of visibility (*e.g.*, buoys, radar reflectors, or other methods identified in the regulations). The display of the identifying characters on fishing gear aids in fishery law enforcement, and the marking of gear for visibility increases safety at sea.

Affected Public: Business or other for-profit organizations.

Frequency: Annually.

Respondent's Obligation: Mandatory.
OMB Desk Officer:

Certain Polyester Staple Fiber From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limit for the preliminary results of the administrative review of certain polyester staple fiber from the People's Republic of China ("PRC"). This review covers the period June 1, 2009, through May 31, 2010.

DATES: *Effective Date:* February 10, 2011.

FOR FURTHER INFORMATION CONTACT: Jerry Huang or Steven Hampton, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4047 or (202) 482-0116, respectively.

Background

On July 28, 2010, the Department published in the *Federal Register* a notice of initiation of the administrative review of the antidumping duty order on certain polyester staple fiber from the PRC. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocations in Part*, 75 FR 44224 (July 28, 2010). The preliminary results of this review are currently due no later than March 2, 2011.

Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to

complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this administrative review within the original time limit because the Department requires additional time to analyze questionnaire responses, issue supplemental questionnaires, and conduct verification.

Therefore, the Department is extending the time limit for completion of the preliminary results of this administrative review by 90 days. The preliminary results will now be due no later than May 31, 2011. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: February 4, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
