

**DEPARTMENT OF COMMERCE****Submission for OMB Review;  
Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

*Agency:* National Oceanic and Atmospheric Administration (NOAA).

*Title:* Northeast Region Gear Identification Requirements.

*OMB Control Number:* 0648-0351.

*Form Number(s):* NA.

*Type of Request:* Regular submission (extension of a current information collection).

*Number of Respondents:* 7,088.

*Average Hours per Response:* 1

minute to mark each piece of gear.

*Burden Hours:* 23,256.

*Needs and Uses:* This request is for extension of a current information collection.

As part of fishery management plans developed under the authority of the Magnuson-Stevens Fishery Conservation and Management Act (MSA), Federal fishing permit holders using specified fishing gear are required to mark that gear with specified information for the purposes of identification (*e.g.*, United States Coast Guard official vessel number, Federal permit number, or other methods identified in the regulations at 50 CFR 648-84 and others). The regulations specify how the gear is to be marked for the purposes of visibility (*e.g.*, buoys, radar reflectors, or other methods identified in the regulations). The display of the identifying characters on fishing gear aids in fishery law enforcement, and the marking of gear for visibility increases safety at sea.

*Affected Public:* Business or other for-profit organizations.

*Frequency:* Annually.

*Respondent's Obligation:* Mandatory.

*OMB Desk Officer:*

*OIRA\_Submission@omb.eop.gov.*

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at [dHynek@doc.gov](mailto:dHynek@doc.gov)).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to

[OIRA\\_Submission@omb.eop.gov](mailto:OIRA_Submission@omb.eop.gov).

Dated: February 4, 2011.

**Certain Polyester Staple Fiber From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce ("Department") is extending the time limit for the preliminary results of the administrative review of certain polyester staple fiber from the People's Republic of China ("PRC"). This review covers the period June 1, 2009, through May 31, 2010.

**DATES:** *Effective Date:* February 10, 2011.

**FOR FURTHER INFORMATION CONTACT:** Jerry Huang or Steven Hampton, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4047 or (202) 482-0116, respectively.

**Background**

On July 28, 2010, the Department published in the *Federal Register* a notice of initiation of the administrative review of the antidumping duty order on certain polyester staple fiber from the PRC. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocations in Part*, 75 FR 44224 (July 28, 2010). The preliminary results of this review are currently due no later than March 2, 2011.

**Statutory Time Limits**

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to

complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

**Extension of Time Limit for Preliminary Results of Review**

We determine that it is not practicable to complete the preliminary results of this administrative review within the original time limit because the Department requires additional time to analyze questionnaire responses, issue supplemental questionnaires, and conduct verification.

Therefore, the Department is extending the time limit for completion of the preliminary results of this administrative review by 90 days. The preliminary results will now be due no later than May 31, 2011. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: February 4, 2011.

**Christian Marsh,**

*Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.*

**1-Hydroxyethylidene-1, 1-Diphosphonic Acid from India: Final Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On November 29, 2010, the Department of Commerce (Department) published the preliminary results of the first administrative review of the antidumping duty order on 1-Hydroxyethylidene-1, 1-Diphosphonic Acid from India. The review covers one manufacturer/exporter of the subject merchandise to the United States: Aquapharm Chemicals Pvt., Ltd. (Aquapharm). The period of review (POR) is April 23, 2009, through March 31, 2010. The final weighted-average dumping margin for the manufacturer/exporter is listed below in the "Final Results of Review" section of this notice.

**DATES:** *Effective Date:* February 10, 2011.

**FOR FURTHER INFORMATION CONTACT:** David Goldberger or Brandon Custard, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4136 or (202) 482-1823, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

The review covers one manufacturer/exporter of the subject merchandise to the United States: Aquapharm.

On November 29, 2010, the Department published in the **Federal Register** the preliminary results of the first administrative review of the antidumping duty order on 1-Hydroxyethylidene-1, 1-Diphosphonic Acid from India (75 FR 73042).

We invited parties to comment on the preliminary results of the review. No interested party submitted comments. Therefore, the final results do not differ from the preliminary results. The Department has conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

**Scope of the Order**

The merchandise covered by this order includes all grades of aqueous, acidic (non-neutralized) concentrations of 1-hydroxyethylidene-1, 1-diphosphonic acid<sup>1</sup> also referred to as hydroxyethylidenediphosphonic acid, hydroxyethanediphosphonic acid, acetodiphosphonic acid, and etidronic acid. The CAS (Chemical Abstract Service) registry number for HEDP is 2809-21-4. The merchandise subject to this order is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) at subheading 2931.00.9043. It may also enter under HTSUS subheading 2811.19.6090. While HTSUS subheadings are provided for convenience and customs purposes only, the written description of the scope of this order is dispositive.

**Final Results of the Review**

As a result of our review, we determined that the following weighted-average margin percentage applies for the period April 23, 2009, through March 31, 2010:

Manufacturer/exporter	Margin (percent)
Aquapharm Chemicals Pvt., Ltd	0.00

<sup>1</sup> C<sub>2</sub>H<sub>8</sub>O<sub>7</sub>P<sub>2</sub> or C(CH<sub>3</sub>)(OH)(PO<sub>3</sub>H<sub>2</sub>)<sub>2</sub>

**Assessment Rates**

The Department shall determine, and Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212. The Department intends to issue appropriate appraisal instructions for the respondent subject to this review directly to CBP 15 days after the date of publication of the final results of this review.

Where the respondent reported entered value for its U.S. sales, we have calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the examined sales for that importer.

Where the respondent did not report entered value for its U.S. sales, we have calculated importer-specific per-unit duty assessment rates by aggregating the total amount of antidumping duties calculated for the examined sales and dividing this amount by the total quantity of those sales. To determine whether the duty assessment rates are *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we have calculated importer-specific *ad valorem* ratios based on the estimated entered value.

We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., at or above 0.50 percent). Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries for which the assessment rate is *de minimis* (i.e., less than 0.50 percent). The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

The Department clarified its "automatic assessment" regulation on May 6, 2003. See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003) (*Assessment Policy Notice*). This clarification will apply to entries of subject merchandise during the POR produced by the company included in these final results of review for which the reviewed company did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will

instruct CBP to liquidate unreviewed entries at the all-others rate effective during the POR if there is no rate for the intermediary involved in the transaction. See *Assessment Policy Notice* for a full discussion of this clarification.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company listed above is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), and therefore the cash deposit rate is 0 percent; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 3.10 percent, the all-others rate established in the LTFV investigation. See *1-Hydroxyethylidene-1, 1-Diphosphonic Acid from India: Notice of Final Determination of Sales at Less Than Fair Value*, 74 FR 10543 (March 11, 2009). These requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221.

Dated: February 3, 2011.

#### Porcelain-on-Steel Cooking Ware from the People's Republic of China: Final Results of the Expedited Sunset Review of the Antidumping Duty Order

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On October 1, 2010, the Department of Commerce ("Department") initiated a sunset review of the antidumping duty order on porcelain-on-steel cooking ware ("POS cookware") from the People's Republic of China ("PRC") pursuant to section 751(c) of the Tariff Act of 1930, as amended ("Act"). See *Initiation of Five-Year ("Sunset") Review*, 75 FR 60731 (October 1, 2010) ("*Sunset Initiation*"); see also *Antidumping Duty Order; Porcelain-on-Steel Cooking Ware from the People's Republic of China*, 51 FR 43414 (December 2, 1986) ("*Order*"). On October 18, 2010, Columbian Home Products, LLC (formerly General Housewares Corporation) ("Columbian"), the petitioner in the POS cookware investigation, notified the Department that it intended to participate in the sunset review. The Department did not receive a substantive response from any respondent party. Based on the notice of intent to participate and adequate response filed by the domestic interested party, and the lack of response from any respondent interested party, the Department conducted an expedited sunset review of the *Order* pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2). As a result of this sunset review, the Department finds that revocation of the *Order* would likely lead to continuation or recurrence of dumping, at the levels indicated in the "Final Results of Sunset Review" section of this notice, *infra*.

**DATES:** *Effective Date:* February 10, 2011.

**FOR FURTHER INFORMATION CONTACT:** Toni Dach; AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

Avenue, NW., Washington, DC 20230; telephone: 202-482-1655.

#### SUPPLEMENTARY INFORMATION:

##### Background

On October 1, 2010, the Department initiated a sunset review of the order on POS cookware pursuant to section 751(c) of the Act. See *Sunset Initiation*, 75 FR 60731. On October 18, 2010, the Department received a timely notice of intent to participate in the sunset review from Columbian, pursuant to 19 CFR 351.218(d)(1)(i). In accordance with 19 CFR 351.218(d)(1)(ii)(A), Columbian claimed interested party status under section 771(9)(C) of the Act as a producer of the domestic like product.

On November 1, 2010, Columbian filed a substantive response in the sunset review, within the 30-day deadline as specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from any respondent interested party in the sunset review. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited sunset review of the *Order*.

##### Scope of the Order

The merchandise covered by this order is porcelain-on-steel cooking ware from the PRC, including tea kettles, which do not have self-contained electric heating elements. All of the foregoing are constructed of steel and are enameled or glazed with vitreous glasses. The merchandise is currently classifiable under the Harmonized Tariff Schedule of the United States ("HTSUS") subheading 7323.94.00. The HTSUS subheading is provided for convenience and customs purposes. The written description of the scope remains dispositive.

##### Analysis of Comments Received

A complete discussion of all issues raised in this sunset review is addressed in the accompanying Issues and Decision Memorandum, which is hereby adopted by this notice. See the Department's memorandum entitled, "Issues and Decision Memorandum for the Final Results in the Expedited Sunset Review of the Antidumping Duty Order on Porcelain-on-Steel Cooking Ware from the People's Republic of China," dated January 27, 2011 ("I&D Memo"). The issues discussed in the accompanying I&D Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the dumping margin likely to prevail if the *Order* was revoked. Parties can obtain a public copy of the I&D Memo on file in the Central Records Unit, Room 7046, of

the main Commerce building. In addition, a complete public copy of the I&D Memo can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>. The paper copy and electronic version of the I&D Memo are identical in content.

##### Final Results of Sunset Review

The Department determines that revocation of the *Order* on POS cookware would likely lead to continuation or recurrence of dumping. The Department also determines that the dumping margins likely to prevail if the order was revoked are as follows:

Manufacturers/exporters/producers	Weighted-average margin (percent)
China National Light Industrial Products Import and Export Corporation .....	66.65
PRC-Wide Entity .....	66.65

##### Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these results and notice in accordance with sections 751(c), 752, and 777(i)(1) of the Act.

Dated: January 27, 2011.
