Good Neighbor Environmental Board

AGENCY: Environmental Protection Agency (EPA).

ACTION: Request for Nominations to the Good Neighbor Environmental Board.

SUMMARY: The U.S. Environmental Protection Agency (EPA) invites nominations from a diverse range of qualified candidates to be considered for appointment to its Good Neighbor Environmental Board. Vacancies are anticipated to be filled by May 2011. Sources in addition to this **Federal Register** Notice may also be utilized in the solicitation of nominees.

Background: GNEB is a Federal advisory committee chartered under the Federal Advisory Committee Act (FACA), Public Law 92-463. GNEB was created in 1992 by the Enterprise for the Americas Initiative Act, Public Law 102-532, 7 U.S.C. 5404. Implementing authority was delegated to the Administrator of EPA under Executive Order 12916. The Board is responsible for providing advice to the President and the Congress on environmental and infrastructure issues and needs within the States contiguous to Mexico in order to improve the quality of life of persons

residing on the United States side of the border. The statute calls for the Board to have representatives from U.S. Government agencies; the States of Arizona, California, New Mexico and Texas; and Tribal and private organizations to provide advice on environmental and infrastructure issues along the U.S./Mexico Border. Members are appointed by the EPA Administrator for two year terms with the possibility of reappointment to a second term. The Board meets approximately three times annually, twice at various locations along the U.S.-Mexico border and once in Washington, DC. The Board is responsible for providing guidance to the President and Congress on environmental and infrastructure issues along the U.S.-Mexico border in the form of an annual report and through advice letters. EPA provides reimbursement for travel and other incidental expenses associated with official government business. The GNEB is seeking nominations from a variety of nongovernmental interests along the U.S.-Mexico border from the private sector, academia, environmental groups, health groups, ranching and grazing, energy, and other relevant sectors. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The following criteria will be used to evaluate nominees:

- Representative of a sector or group that helps to shape border-region environmental policy or representatives of a group that is affected by border-region environmental policy.
- Has extensive professional knowledge and experience with the particular issues that the Board examines (*i.e.* environmental and infrastructure issues along the U.S.-Mexico border), including the bi-national dimension of these issues.

- Ability to contribute approximately 10 to 15 hours per month to the Board's activities, including face-to-face meetings, conference calls, participation on the Board's annual report to the President and Congress and comment letters.
- Nominees may self-nominate by submitting a resume describing their professional and educational qualifications, including current business address, e-mail and daytime telephone number.
- All nominees must demonstrate the potential for active and constructive involvement in the Board's work.

Public Water System Supervision Program Revision for the State of Utah

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In accordance with the provisions of section 1413 of the Safe Drinking Water Act (SDWA), 42 U.S.C. 300g-2, and 40 CFR 142.13, public notice is hereby given that the State of Utah has revised its Public Water System Supervision (PWSS) Program by adopting Federal regulations for the Groundwater Rule, which correspond to the National Primary Drinking Water Regulations (NPDWR) in 40 CFR parts 141 and 142. The EPA has completed its review of these revisions in accordance with the SDWA and proposes to approve Utah's primacy revisions for the above stated Rules.

Today's approval action does not extend to public water systems in Indian country, as defined in 18 U.S.C. 1151. Please see **SUPPLEMENTARY INFORMATION**, Item B.

DATES: Any member of the public may request a public hearing on this determination by March 14, 2011. Please see **SUPPLEMENTARY INFORMATION**, Item C, for details. Should no timely and appropriate request for a hearing be received, and the Regional Administrator (RA) does not elect to hold a hearing on his own motion, this determination shall become effective March 14, 2011. If a hearing is granted,

then this determination shall not become effective until such time following the hearing, as the RA issues an order affirming or rescinding this action.

ADDRESSES: Requests for a public hearing shall be addressed to: James B. Martin, Regional Administrator, c/o Karen Shirley (8P-W-DW), U.S. EPA, Region 8, 1595 Wynkoop Street, Denver, CO 80202-1129.

All documents relating to this determination are available for inspection at the following locations: (1) U.S. EPA, Region 8, Drinking Water Program, 1595 Wynkoop Street, Denver, CO 80202-1129, (2) Utah Department of Environmental Quality, Division of Drinking Water, Utah State Office Park—Building One, 195 North 1950 West, Salt Lake City, UT 84144-4830.

FOR FURTHER INFORMATION CONTACT: Karen Shirley at 303-312-6104.

SUPPLEMENTARY INFORMATION: EPA previously approved Utah's application for assuming primary enforcement authority for the PWSS Program, pursuant to section 1413 of SDWA, 42 U.S.C. 300g-2, and 40 CFR part 142. Utah's Division of Drinking Water administers Utah's PWSS Program.

A. Why are revisions to State programs necessary?

States with primary PWSS enforcement authority must comply with the requirements of 40 CFR part 142 for maintaining primacy. They must adopt regulations that are at least as stringent as the NPDWR at 40 CFR parts 141 and 142, as well as adopt all new and revised NPDWR in order to retain primacy (40 CFR 142.12(a)).

B. How does today's action affect Indian country in Utah?

Utah is not authorized to carry out its PWSS Program in "Indian country." This includes the lands within the reservations of the Confederated Tribes of the Goshute, the Navajo Nation, the Northwestern Band of Shoshoni Nation of Utah (Washakie), the Paiute Indian Tribe of Utah, the Skull Valley Band of Goshute Indians of Utah, and the Ute Mountain Ute Tribe of the Ute Mountain Reservation; Indian country lands of the Uintah and Ouray Reservation; any land held in trust by the United States for an Indian Tribe; and any other areas that are "Indian country" within the meaning of 18 U.S.C. 1151.

C. Requesting a Hearing

Any request for a public hearing shall include: (1) The name, address, and telephone number of the individual, organization, or other entity requesting

a hearing; (2) a brief statement of the requester's interest in the RA's determination and of information that he/she intends to submit at such hearing; and (3) the signature of the requester or responsible official, if made on behalf of an organization or other entity.

Notice of any hearing shall be given not less than fifteen (15) days prior to the time scheduled for the hearing and will be made by the RA in the **Federal Register** and newspapers of general circulation in the State. A notice will also be sent to both the person(s) requesting the hearing and the State. The hearing notice will include a statement of purpose, information regarding time and location, and the address and telephone number where interested persons may obtain further information. The RA will issue a final determination upon review of the hearing record.

Frivolous or insubstantial requests for a hearing may be denied by the RA. However, if a substantial request is made within thirty (30) days after this notice, a public hearing will be held.

Please bring this notice to the attention of any persons known by you to have an interest in this determination.
