

.214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, and/or motions to intervene must be received on or before the specified comment date for the particular application.

o. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title “COMMENTS”, “PROTESTS”, AND/OR “MOTIONS TO INTERVENE”, as applicable, and the Docket Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

p. Agency Comments—Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Dated: February 4, 2011.

A copy is also available for inspection and reproduction at the address in item h above.

You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via e-mail of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

n. Scoping Process.

The Commission intends to prepare an Environmental assessment (EA) on the project in accordance with the National Environmental Policy Act. The EA will consider both site-specific and cumulative environmental effects and reasonable alternatives to the proposed action.

Scoping Meetings

Commission staff will conduct one daytime scoping meeting, one evening meeting, and an Environmental Site Review. The daytime scoping meeting will focus on concerns of the resource agencies, non-governmental organizations, and Indian tribes, while the evening scoping meeting is primarily for public input. All interested individuals, organizations, and agencies are invited to attend one or both of the meetings and the environmental site review, and to assist the staff in identifying the scope of the environmental issues that should be analyzed in the EA. The times and locations of these meetings and the Environmental Site Review are as follows:

Daytime Scoping Meeting

Date and Time: Tuesday, March 8, 2011, 2 p.m. CST;

Location: City Council Chamber Room, Quincy City Hall, 720 Maine St., Quincy, IL 62301.

Evening Scoping Meeting

Date and Time: Tuesday, March 8, 2011, 6 p.m. CST;

Location: City Council Chamber Room, Quincy City Hall, 720 Maine St., Quincy, IL 62301.

Copies of the Scoping Document (SD1) outlining the subject areas to be addressed in the EA were distributed to the parties on the Commission's mailing

list. Copies of the SD1 will be available at the scoping meeting or may be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link (see item m above).

Environmental Site Review

Date and Time: Tuesday, March 8, 2011, 9:30 a.m. CST.

Location: The Corp's Lock and Dam No. 21 observation tower, which can be accessed from the south entrance to the Lock and Dam No. 21. The address is 909 W Lock and Dam Road, Quincy, Illinois. All participants are responsible for providing photo identification to enter the Corps' facility, and photography and video will be prohibited.

Phone number: All participants must contact John Neyens, Klingner & Associates, P.C., 616 N. 24th Street, Quincy, IL 62301, phone 217-223-3670, by February 25, 2011, to attend the Environmental Site Review.

Objectives

At the scoping meetings, the Commission staff will: (1) Summarize the environmental issues tentatively identified for analysis in the EA; (2) solicit from the meeting participants all available information, especially quantifiable data, on the resources at issue; (3) encourage statements from experts and the public on issues that should be analyzed in the EA, including viewpoints in opposition to, or in support of, the staff's preliminary views; (4) determine the resource issues to be addressed in the EA; and (5) identify those issues that require a detailed analysis, as well as those issues that do not require a detailed analysis.

Procedures

The meetings are recorded by a stenographer and become part of the formal record of the Commission proceeding on the project.

Individuals; organizations; Indian Tribes; and Federal, State, and local agencies with environmental expertise and concerns are encouraged to attend the meeting and to assist Commission staff in defining and clarifying the issues to be addressed in the EA.

Federal Energy Regulatory Commission

[Docket No. EL11-20-000]

PJM Power Providers Group v. PJM Interconnection, L.L.C.; Notice of Complaint

Take notice that on February 1, 2011, pursuant to section 206 of the Federal Power Act, and Rule 206 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure, 18 CFR 385.206, PJM Power Providers Group (Complainant) filed a formal complaint against PJM Interconnection, L.L.C. (Respondent), alleging that the tariffs governing the Respondent's Reliability Pricing Model are unjust and unreasonable and could be subject to manipulation.

The Complainant certifies that copies of the complaint were served on the contacts for the Respondent as listed on the Commission's list of Corporate Officials and on parties and regulatory agencies the Respondent reasonably expects to be affected by this Complaint.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s).
