Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments
This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects
We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards
The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment
We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M1647.3, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment.

This rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction. This rule involves establishing a temporary safety zone, as described in paragraph (34)(g), that will be in effect for less than three hours. An environmental analysis checklist and a categorical exclusion determination are available in the docket where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 165
Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add a temporary § 165.T07–0010 to read as follows:

§ 165.T07–0010 Safety Zone; Miami International Triathlon, Bayfront Park, Miami, FL.

(a) Regulated area. The following regulated area is a safety zone. All waters east of Bayfront Park encompasses within an imaginary line connecting the following points: Starting at Point 1 in position 25°46′36″ N, 80°11′04″ W; thence east to Point 2 in position 25°46′36″ N, 80°10′51″ W; thence southeast to Point 3 in position 25°46′25″ N, 80°10′44″ W; thence southwest to Point 4 in position 25°46′19″ N, 80°11′05″ W; thence north back to origin. All coordinates are North American Datum 1983.

(b) Definition. The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and federal, state, and local officers designated by or assisting the Captain of the Port Miami in the enforcement of the regulated area.

(c) Regulations.

(1) All persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the Captain of the Port Miami or a designated representative.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated area may contact the Captain of the Port Miami via telephone at 305–535–4472, or a designated representative via VHF radio on channel 16, to seek permission. If permission to enter, transit through, anchor in, or remain within the regulated area is granted by the Captain of the Port Miami or a designated representative, all persons and vessels receiving such permission must comply with the instructions of the Captain of the Port Miami or a designated representative.

(3) The Coast Guard will provide notice of the regulated area via broadcast notice to mariners and on-scene designated representatives.

(d) Effective Date. This rule is effective from 7 a.m. until 9:30 a.m. on March 20, 2011.

Dated: January 26, 2011.

G.J. Depinet,
Captain, U.S. Coast Guard, Acting Captain of the Port Miami.

Bulk Solid Hazardous Materials: Harmonization With the International Maritime Solid Bulk Cargoes (IMSBC) Code

AGENCY: Coast Guard, DHS.

ACTION: Rule; information collection approval.

SUMMARY: On October 19, 2010, the Coast Guard amended its regulations governing the carriage of solid hazardous materials in bulk to allow use of the IMSBC Code as an equivalent form of compliance. The amendment triggered information collection requirements affecting the Special Permits issued by the Coast Guard that allow the carriage of hazardous bulk solid materials not addressed in the amended regulations. This notice announces that the collection of information has been approved by the Office of Management and Budget.
Obligation to Respond: 3060–1145.

OMB Approval Date: January 27, 2011.

OMB Expiration Date: January 31, 2014.

Form Number: N/A.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 13 respondents; 169 responses.

Estimated Time per Response: .017 hours (1 minute average per response).

Frequency of Response: Annual and monthly reporting requirements.

Obligation to Respond: Required to obtain or retain benefits.

The statutory authority for this information collection is found at sections 1, 4, 225, and 303(r) of the Communications Act of 1934. The Paperwork Reduction Act of 1995 requires a federal agency to seek public comment on whether the collection of information is necessary for the appropriate performance of its functions, the accuracy of the agency’s estimates regarding the burden of the collection, and the applicability of any new reporting or record-keeping requirements.

The OMB Control Number is 3060–1145. The OMB Control Number is the unique identification number assigned to each agency for the collection of information requirements. The agency is required to display the OMB Control Number on any document requesting information and to submit a report summarizing the data collected to the Office of Management and Budget (OMB). The agency must also submit a report to Congress summarizing the data collected, the public comments received, and any proposed changes.

Dated: February 7, 2011.

F.J. Sturm, Acting Director of Commercial Regulations and Standards, U.S. Coast Guard.
