Subpart N—Miscellaneous

9. Revise § 20.1302 to read as follows:

§ 20.1302  Rule 1302. Death of appellant during pendency of appeal before the Board.

(a) General. An appeal pending before the Board of Veterans’ Appeals when the appellant dies will be dismissed without prejudice. A person eligible for substitution under § 3.1010 of this chapter may file with the agency of original jurisdiction a request to substitute for the deceased appellant. If the agency of original jurisdiction grants the request to substitute, the case will assume its original place on the docket pursuant to Rule 900 (§ 20.900(a)(2) of this part). If the agency of original jurisdiction denies the request to substitute and the person requesting to substitute appeals that decision to the Board, the appeal regarding eligibility to substitute will assume the same place on the docket as the original claim pursuant to Rule 900 (§ 20.900(a)(2) of this part).

(b) Exception. (1) If a hearing request is pending pursuant to Rule 704 (§ 20.704 of this part) when the appellant dies, the agency of original jurisdiction may take action on a request to substitute without regard to whether the pending appeal has been dismissed by the Board, if the request is submitted in accordance with § 3.1010 of this chapter.

(2) If the agency of original jurisdiction grants the request to substitute, the Board of Veterans’ Appeals can then take the testimony of the substitute at a hearing held pursuant to Rule 700 et seq. (§ 20.700 et seq. of this part). If the substitute desires representation at the hearing, he or she must appoint a representative prior to the hearing pursuant to § 14.631(g) of this chapter.

(Authority: 38 U.S.C. 5121A, 7104(a))

10. Revise § 20.1304, paragraph (b)(1) introductory text and the authority citation at the end of the section to read as follows:

§ 20.1304  Rule 1304. Request for change in representation, request for personal hearing, or submission of additional evidence following certification of an appeal to the Board of Veterans’ Appeals.

(b) * * *

(1) General rule. Subject to the exception in paragraph (b)(2) of this section, following the expiration of the period described in paragraph (a) of this section, the Board of Veterans’ Appeals will not accept a request for a change in representation, a request for a personal hearing, or additional evidence except when the appellant demonstrates on motion that there was good cause for the delay. Examples of good cause include, but are not limited to, illness of the appellant or the representative which precluded action during the period; death of an individual representative; illness or incapacity of an individual representative which renders it impractical for an appellant to continue with him or her as representative; withdrawal of an individual representative; the discovery of evidence that was not available prior to the expiration of the period; and delay in transfer of the appellate record to the Board which precluded timely action with respect to these matters. Such motions must be in writing and must include the name of the veteran; the name of the claimant or appellant if other than the veteran (e.g., a veteran’s survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual’s behalf) or the name of any substitute claimant or appellant; the applicable Department of Veterans Affairs file number; and an explanation of why the request for a change in representation, the request for a personal hearing, or the submission of additional evidence could not be accomplished in a timely manner. Such motions must be filed at the following address: Director, Management and Administration (01E), Board of Veterans’ Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Depending upon the ruling on the motion, action will be taken as follows: * * * * *

SUPPLEMENTARY INFORMATION:

I. Background

The Defense Production Act of 1950 (Defense Production Act) (50 U.S.C. App. 2061 et seq.) was enacted during the Korean War to ensure the availability of resources to meet national security needs. The Defense Production Act provides a number of important authorities to expedite and expand the supply of critical resources from the U.S. industrial base to support the national defense. While Defense Production Act provisions initially focused on Department of Defense (DoD) acquisition needs, several significant changes to the Defense Production Act definition of national defense have been added over time to expand the definition from military, energy, and space activities, to include emergency preparedness activities conducted pursuant to title VI of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) (42 U.S.C. 5121 et seq.) and the protection and restoration of critical infrastructure. Section 101(a) of title I of the Defense Production Act (50 U.S.C. App. 2071) authorizes the President:
