SUPPLEMENTARY INFORMATION: The Emergency Responder Field Operations Guide (ER FOG) is intended for use when implementing the Incident Command System (ICS) in response to an incident, regardless of type, size, or location. It does not replace emergency operations plans, laws, regulations, and ordinances. Rather, this document provides guidance for assigned incident personnel by describing ICS and the operational planning cycle, explaining responsibilities, and providing position checklists.

To properly use and understand this guide, personnel should have a basic understanding of NIMS and ICS. The contents of this document are not intended as a substitute for required training and good judgment. All agencies and jurisdictions should ensure that responders receive adequate and appropriate training to perform their assigned duties and tasks.

The ER FOG is available on http://www.regulations.gov, under Docket ID FEMA–2009–0014. Follow the instructions above in the ADDRESSES section, to submit comments.

Dated: February 9, 2011.

W. Craig Fugate,
Administrator, Federal Emergency Management Agency.
