**38 CFR Part 17**

RIN 2900–AN65

**Copayments for Medications After June 30, 2010**

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Final rule.

**SUMMARY:** This document affirms as final an interim final rule that froze until January 1, 2012, the copayment required for certain medications. Under those amendments, the copayment amount for veterans in the Department of Veterans Affairs (VA) health care system, enrollment priority categories 2 through 6, will remain at \$8 and the copayment amount for veterans in enrollment priority categories 7 and 8 will remain at \$9. The maximum annual copayment amount will also not increase. On January 1, 2012, the copayment amounts will increase based on the prescription drug component of the Medical Consumer Price Index (CPI-P). When the copayment increases, the maximum annual copayment amount automatically increases in turn.

**DATES:** *Effective Date:* This rule is effective on February 22, 2011.

**FOR FURTHER INFORMATION CONTACT:** Roscoe Butler, Acting Director, Business Policy, Chief Business Office, 810 Vermont Avenue, Washington, DC 20420, 202–461–1586. (This is not a toll-free number.)

**SUPPLEMENTARY INFORMATION:** Under 38 U.S.C. 1722A(a), VA must require veterans to pay a \$2 copayment for each 30-day supply of medication furnished on an outpatient basis for the treatment of a nonservice-connected disability or condition. Under 38 U.S.C. 1722A(b), VA may, by regulation, increase that copayment and establish a maximum annual copayment (a “cap”). We interpret section 1722A(b) to mean that

VA has discretion to determine the appropriate copayment amount and annual cap amount for medication furnished on an outpatient basis for covered treatment, provided that any decision by VA to increase the copayment amount or annual cap amount is the subject of a rulemaking proceeding. We have implemented this statute in 38 CFR 17.110.

On June 9, 2010, we published a final rule that affirmed as final an interim final rule that amended § 17.110 to “freeze” at \$8 the copayment required for prescription medications through June 30, 2010. 75 FR 32668. Also on June 9, 2010, we published an interim final rule amending § 17.110 such that the copayment amounts are fixed at \$8 for veterans in enrollment priority categories 2 through 6 of VA’s health care system, and at \$9 for veterans in priority categories 7 and 8 through December 31, 2011. 75 FR 32670. Any changes to these copayment amounts that would take effect after December 31, 2011, would be based on changes to the CPI-P, as described in § 17.110(b)(1)(iv).

In addition, § 17.110(b)(2) includes a cap on the total amount of copayments in a calendar year for a veteran enrolled in one of VA’s health care enrollment system priority categories 2 through 6. The amount of the cap for the period from January 1, 2010, through December 31, 2011 is fixed at \$960. Also under paragraph (b)(2), the “cap of \$960 shall be increased by \$120 for each \$1 increase in the copayment amount.”

In the June 9, 2010, interim final rule, we cited the previous interim final rule published on December 31, 2009 (adopted without change as a final rule on June 9, 2010 (75 FR 32668)), in which we stated that we had concerns about increasing copayments under the methodology in current 38 CFR 17.110(b)(1)(iv). 75 FR 32670. We stated that we needed “time to determine whether an increase [in copayments]
