This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under OMB Control Number 1240-0035. The current OMB approval is scheduled to expire on February 28, 2011; however, it should be noted that information collections submitted to the OMB receive a month-to-month extension while they undergo review. For additional information, see the related notice published in the **Federal Register** on October 18, 2010 (75 FR 63864).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within 30 days of publication of this notice in the **Federal Register**. In order to ensure appropriate consideration, comments should reference OMB Control Number 1240-0035. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
  - Enhance the quality, utility, and clarity of the information to be collected; and
  - Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### Notice of Funding Opportunity and Solicitation for Grant Applications (SGA) for the Career Pathways Innovation Fund Grants Program

**AGENCY:** Employment and Training Administration, Labor.

**ACTION:** Notice of Solicitation for Grant Applications (SGA).

*Funding Opportunity Number:* SGA/DFA PY 10-06.

**SUMMARY:** Through this notice, the Department of Labor's Employment and Training Administration (ETA) announces the availability of up to approximately \$122 million in grant funds authorized by Workforce Investment Act of 1998, Public Law 105-220 to develop and implement career pathway programs in partnership with employers and other relevant organizations in the community. The overarching goals for projects funded under this SGA are to: (1) Increase the number of individuals who earn credentials that enable them to compete for employment in in-demand and emerging industries and occupations; (2) lead to employment for program participants; (3) articulate and ease academic and employment transitions, through the implementation of articulation agreements and other activities, for students of different skill levels and at varying academic levels, including students with low English or basic skills proficiency; (4) establish multiple entry and exit points for students along the post-secondary education continuum; and, (5) create systemic change that will last beyond the grant period by establishing partnerships, agreements, processes, and programs that better connect the education, training, workforce, and
