

and airspace requirements would be similar to Alternative 1. The western expansion area would be a Restricted Public Access Area, available to the public for 10 months of the year when not used by the USMC.

Alternative 5 would add the same 180,353 acres of land to the west of the base as in Alternatives 1 and 4 but no additional land to the south. Proposed training activities and airspace requirements would be similar to Alternative 1 and 4. The western expansion area would be a Restricted Public Access Area, available to the public for 10 months of the year when not used by the USMC.

Alternative 6 (Preferred Alternative) would add approximately 167,971 acres to the existing Combat Center (146,667 acres to the west of the base and the same 21,304 acres to the south as in Alternative 1) and accompanying Special Use Airspace. Of the western land acquisition, approximately 108,530 acres would be exclusive USMC Use, while the remaining 38,137 acres would be a Restricted Public Access Area, available to the public 10 months per year when it is not being used by the USMC. Proposed training activities and airspace requirements would otherwise be similar to Alternative 1.

The No Action Alternative would seek no additional lands and no additions or changes to Special Use Airspace associated with the Combat Center's current range complex.

Environmental Effects Identified in Draft EIS

Potential impacts were evaluated in the Draft EIS under all alternatives for the following resources: land use, recreation, socioeconomic and environmental justice, public health and safety, visual resources, transportation and circulation, airspace management, air quality, noise, biological resources, cultural resources, geological resources and water resources.

The Draft EIS includes mitigation measures, special conservation measures, and features of project design to avoid or minimize potential impacts. The proposed action would fully comply with regulatory requirements for the protection of environmental resources. A Biological Assessment has been prepared for submittal to the U.S. Fish & Wildlife Service in compliance with Section 7 of the Endangered Species Act. In addition, the USMC is coordinating with the California State Historic Preservation Office on Section 106 of the National Historic Preservation Act, and with the Mojave Desert Air Quality Management District on the Clean Air Act.

The proposed action would result in unavoidable impacts related to land use (due to inconsistencies with federal and local land use plans and policies, incompatibility with mining claims and leases, and the acquisition of privately-owned land), recreation (due to the loss of recreational use of the Johnson Valley Off-Highway Vehicle [OHV] Area), socioeconomic (due to decreased spending and income from OHV and other recreational activities, and impacts to existing commercial and private aircraft flight routes), public health and safety (due to potential public contact with munitions constituents or other hazards under Alternatives 4, 5 and 6), air quality (due to air emissions from construction and training activities), biological resources (due to the likelihood of training exercise-related incidental take of desert tortoises), cultural resources (due to the potential loss of archeological sites, even if mitigated through data recovery), geological resources (due to compaction of soils, disruption of surface crust, shearing of soil profiles, and soil particle dispersion as dust due to military activities), and water resources (due to increased demand for potable groundwater supplies).

Schedule: The Notice of Availability (NOA) publication in the **Federal Register** and local print media starts the 90-day public comment period for the Draft EIS. The DoN will consider and respond to all written, oral and electronic comments, submitted as described above, in the Final EIS. The DoN intends to issue the Final EIS in November 2011, at which time an NOA will be published in the **Federal Register** and local print media. A Record of Decision is expected to be published in April 2012.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of this program is to ensure that parents of children with disabilities receive training and information to help improve results for their children.

Priorities: In accordance with 34 CFR 75.105(b)(2)(iv) and (v), these priorities are from allowable activities specified in the statute, or otherwise authorized in the statute (see sections 671, 672 and 681(d) of the Individuals with Disabilities Education Act (IDEA)). Each of the absolute priorities announced in this notice corresponds to a separate competition as follows:

Absolute priority	Competition CFDA No.
Community Parent Resource Centers	84.328C

Absolute priority	Competition CFDA No.
Parent Training and Information Centers	84.328M

Absolute Priorities: For FY 2011 and any subsequent year in which we make awards from the list of unfunded applicants from these competitions, these priorities are absolute priorities. Under 34 CFR 75.105(c)(3), for each competition, we consider only applications that meet the absolute priority for that competition.

The priorities are:

Absolute Priority 1—Community Parent Resource Centers (84.328C)

Background:

Almost 30 years of research and experience has demonstrated that the education of children with disabilities can be made more effective by strengthening the role and responsibility of parents and ensuring that families of such children have meaningful opportunities to participate in the education of their children at school and at home (see section 601(c)(5)(B) of IDEA).

This priority supports Community Parent Resource Centers (CPRCs) in targeted communities that will provide underserved parents of children with disabilities, including low-income parents, parents of limited English proficient children, and parents with disabilities in that community, with the training and information they need to enable them to participate cooperatively and effectively in helping their children with disabilities to—

(a) Meet developmental and functional goals, and challenging academic achievement standards that have been established for all children; and

(b) Be prepared to lead productive, independent adult lives, to the maximum extent possible.

The following Web site provides further information on the work of previous funded centers: <http://www.parentcenternetwork.org>.

Priority:

To be considered for funding under the CPRCs absolute priority, applicants must meet the application requirements contained in the priority. All projects funded under the absolute priority also must meet the programmatic and administrative requirements specified in the priority.

Application Requirements. An applicant must include in its application—

(a) A plan to implement the activities described in the *Project Activities* section of this priority; and

(b) A budget for attendance at the following:

(1) A three-day National Technical Assistance for Parent Centers Conference in Washington, DC during each year of the project period.

(2) A two-day Regional Technical Assistance for Parent Centers Conference, in the region in which the CPRC is located, during each year of the project period. Applicants should refer to <http://www.parentcenternetwork.org> for a list of regions.

Project Activities. To meet the requirements of this priority, the CPRC, at a minimum, must—

(a) Maintain a Web site that meets government or industry-recognized standards for accessibility;

(b) Provide training and information that meets the training and information needs of parents of children with disabilities within the proposed targeted community to be served by the CPRC, particularly underserved parents and parents of children who may be inappropriately identified as having disabilities;

Note: For purposes of this priority, “targeted community to be served” refers to a geographically defined, local community whose members experience significant isolation from available sources of information and support as a result of cultural, economic, linguistic, or other circumstances deemed appropriate by the Secretary.

(c) Carry out the following activities required of parent training and information centers:

(1) Serve the parents of infants, toddlers, and children, from ages birth through 26, with the full range of disabilities described in section 602(3) of IDEA.

(2) Ensure that the training and information provided meet the needs of low-income parents and parents of limited English proficient children.

(3) Assist parents to—

(i) Better understand the nature of their children’s disabilities and their educational, developmental, and transitional needs;

(ii) Communicate effectively and work collaboratively with personnel responsible for providing special education, early intervention services, transition services, and related services;

(iii) Participate in decision-making processes, including those regarding participation in State and local assessments, and the development of individualized education programs under Part B of IDEA and individualized family service plans under Part C of IDEA;

(iv) Obtain appropriate information about the range, type, and quality of—

(A) Options, programs, services, technologies, practices, and interventions based on scientifically based research, to the extent practicable; and

(B) Resources available to assist children with disabilities and their families in school and at home, including information available through the Office of Special Education Programs’ (OSEP) technical assistance and dissemination centers (<http://www.tadnet.org>), and communities of practice (<http://www.tacomunities.org>);

(v) Understand the requirements of IDEA related to the provision of education and early intervention services to children with disabilities;

(vi) Participate in activities at the school level that benefit their children; and

(vii) Participate in school reform activities.

(4) In States where the State elects to contract with the CPRCs, contract with the State educational agencies (SEAs) to provide, consistent with paragraphs (B) and (D) of section 615(e)(2) of IDEA, individuals to meet with parents in order to explain the mediation process.

(5) Assist parents in resolving disputes in the most expeditious and effective way possible, including encouraging the use and explaining the benefits of alternative methods of dispute resolution, such as the mediation process described in section 615(e) of IDEA.

(6) Assist parents and students with disabilities to understand their rights and responsibilities under IDEA, including those under section 615(m) of IDEA upon the student’s reaching the age of majority (as appropriate under State law).

(7) Assist parents to understand the availability of, and how to effectively use, procedural safeguards under IDEA.

(8) Assist parents in understanding, preparing for, and participating in, the resolution session described in section 615(f)(1)(B) of IDEA;

(d) Establish cooperative partnerships with any Parent Training and Information Centers (PTIs) and any other CPRCs funded in the State under sections 671 and 672 of IDEA, respectively;

(e) Be designed to meet the specific needs of families who experience significant isolation from available sources of information and support;

(f) Be familiar with the provision of special education, related services, and early intervention services in the CPRC’s targeted community to be served to help ensure that children with

disabilities are receiving appropriate services;

(g) Annually report to the Department on—

(1) The number and demographics of parents to whom the CPRC provided information and training in the most recently concluded fiscal year, including additional information regarding the parents' unique needs and the levels of service provided to them; and

(2) The effectiveness of strategies used to reach and serve parents, including underserved parents of children with disabilities, by providing evidence of how those parents were served effectively;

(h) Respond to requests from the OSEP-funded National and Regional Parent Technical Assistance Centers (PTACs), and use the technical assistance services of the National and Regional PTACs in order to serve the families of infants, toddlers, and children with disabilities as efficiently as possible. Regional PTACs are charged with assisting parent centers with administrative and programmatic issues;

(i) In collaboration with OSEP and the National PTAC participate in an annual collection of program data for the PTIs and CPRCs funded under sections 671 and 672 of IDEA, respectively; and

(j) Maintain ongoing communication with the OSEP Project Officer through phone conversations and email communication.

In addition, the CPRC's board of directors must meet not less than once in each calendar quarter to review the activities for which the award was made and submit to the Secretary a written review of the CPRC's activities conducted during the preceding fiscal year.

Competitive Preference Priority:

Within this absolute priority, we give competitive preference to applications that meet the following priority. For FY 2011 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is a competitive preference priority.

Competitive Preference Priority:

Under 34 CFR 75.105(c)(2)(i) we award an additional 5 points to an application that meets this priority.

This priority is:

Applicants that propose to design a program with specific activities and services focused on meeting the unique needs of parents who have children enrolled in either high-poverty schools¹

or persistently lowest-achieving schools² within the area served by the CPRC.

Note: The 5 points an applicant can earn under this competitive preference priority is in addition to those points awarded under the selection criteria for this competition (see *Selection Criteria* in section V in this notice). That is, an applicant meeting the competitive preference priority could earn a maximum total of 105 points.

Absolute Priority 2—Parent Training and Information Centers (84.328M)

Background:

Almost 30 years of research and experience have demonstrated that the education of children with disabilities can be made more effective by strengthening the role and responsibility of parents and ensuring that families of such children have meaningful opportunities to participate in the education of their children at school and at home (see section 601(c)(5)(B) of IDEA).

This priority supports Parent Training and Information Centers (PTIs) in the areas to be served by the centers that will provide parents of children with disabilities, including low-income parents, parents of limited English proficient children, and parents with disabilities, with the training and

price lunches under the Richard B. Russell National School Lunch Act or in which at least 50 percent of students are from low-income families as determined using one of the criteria specified under section 1113(a)(5) of the Elementary and Secondary Education Act of 1965, as amended. For middle and high schools, eligibility may be calculated on the basis of comparable data from feeder schools. Eligibility as a high-poverty school under this definition is determined on the basis of the most currently available data.

² For purposes of this priority, the term *persistently lowest-achieving schools* means, as determined by the State—(i) Any Title I school in improvement, corrective action, or restructuring that (a) Is among the lowest-achieving five percent of Title I schools in improvement, corrective action, or restructuring or the lowest-achieving five Title I schools in improvement, corrective action, or restructuring in the State, whichever number of schools is greater; or (b) Is a high school that has had a graduation rate as defined in 34 CFR 200.19(b) that is less than 60 percent over a number of years; and (ii) Any secondary school that is eligible for, but does not receive, Title I funds that—(a) Is among the lowest-achieving five percent of secondary schools or the lowest-achieving five secondary schools in the State that are eligible for, but do not receive, Title I funds, whichever number of schools is greater; or (b) Is a high school that has had a graduation rate as defined in 34 CFR 200.19(b) that is less than 60 percent over a number of years.

To identify the persistently lowest-achieving schools, a State must take into account both—(i) The academic achievement of the “all students” group in a school in terms of proficiency on the State's assessments under section 1111(b)(3) of the ESEA in reading/language arts and mathematics combined; and (ii) The school's lack of progress on those assessments over a number of years in the “all students” group.

information they need to enable them to participate cooperatively and effectively in helping their children with disabilities to—

(a) Meet developmental and functional goals, and challenging academic achievement standards that have been established for all children; and

(b) Be prepared to lead productive, independent adult lives, to the maximum extent possible.

The following Web site provides more information on the work of previously funded centers: <http://www.parentcenternetwork.org>.

Priority:

To be considered for funding under the PTIs absolute priority, applicants must meet the application requirements contained in the priority. All projects funded under the absolute priority also must meet the programmatic and administrative requirements specified in the priority.

Application Requirements. An applicant must include in its application—

(a) A logic model that depicts, at a minimum, the goals, activities, outputs, and outcomes of the proposed project. A logic model communicates how a project will achieve its outcomes and provides a framework for both the formative and summative evaluations of the project;

Note: The following Web site provides more information on logic models: http://www.tadnet.org/model_and_performance.

(b) A plan to implement the activities described in the *Project Activities* section of this priority;

(c) A plan, linked to the proposed project's logic model, for a formative evaluation of the proposed project's activities. The plan must describe how the formative evaluation will use clear performance objectives to ensure continuous improvement in the operation of the proposed project, including objective measures of progress in implementing the project and ensuring the quality of products and services;

(d) A budget for attendance at the following:

(1) A three-day National Technical Assistance for Parent Centers Conference in Washington, DC during each year of the project period.

(2) A two-day Regional Technical Assistance for Parent Centers Conference, in the region in which the PTI is located, during each year of the project period. Applicants should refer to <http://www.parentcenternetwork.org> for a list of regions; and

(e) A description specifying the special efforts the PTI will make to:

¹ For the purposes of this priority, the term *high-poverty school* means a school in which at least 50 percent of students are eligible for free or reduced-

(1) Ensure that the needs for training and information of underserved parents of children with disabilities in the area to be served, including parents of children attending high-poverty schools³ and the State's persistently lowest-achieving schools,⁴ are effectively met; and

(2) Work with community-based organizations, including those that work with low-income parents and parents of limited English proficient children.

Project Activities. To meet the requirements of this priority, the PTI, at a minimum, must—

(a) Maintain a Web site that meets government or industry-recognized standards for accessibility;

(b) Provide training and information that meets the training and information needs of parents of children with disabilities living in the area served by the PTI, particularly underserved parents and parents of children who may be inappropriately identified as having disabilities, including parents of children attending high-poverty schools and the State's persistently lowest-achieving schools;

(c) Serve the parents of infants, toddlers, and children from ages birth

³ For the purposes of this priority, the term *high-poverty school* means a school in which at least 50 percent of students are eligible for free or reduced-price lunches under the Richard B. Russell National School Lunch Act or in which at least 50 percent of students are from low-income families as determined using one of the criteria specified under section 1113(a)(5) of the Elementary and Secondary Education Act of 1965, as amended. For middle and high schools, eligibility may be calculated on the basis of comparable data from feeder schools. Eligibility as a high-poverty school under this definition is determined on the basis of the most currently available data.

⁴ For purposes of this priority, the term *persistently lowest-achieving schools* means, as determined by the State—(i) Any Title I school in improvement, corrective action, or restructuring that (a) Is among the lowest-achieving five percent of Title I schools in improvement, corrective action, or restructuring or the lowest-achieving five Title I schools in improvement, corrective action, or restructuring in the State, whichever number of schools is greater; or (b) Is a high school that has had a graduation rate as defined in 34 CFR 200.19(b) that is less than 60 percent over a number of years; and (ii) Any secondary school that is eligible for, but does not receive, Title I funds that—(a) Is among the lowest-achieving five percent of secondary schools or the lowest-achieving five secondary schools in the State that are eligible for, but do not receive, Title I funds, whichever number of schools is greater; or (b) Is a high school that has had a graduation rate as defined in 34 CFR 200.19(b) that is less than 60 percent over a number of years.

To identify the persistently lowest-achieving schools, a State must take into account both—(i) The academic achievement of the “all students” group in a school in terms of proficiency on the State's assessments under section 1111(b)(3) of the ESEA in reading/language arts and mathematics combined; and (ii) The school's lack of progress on those assessments over a number of years in the “all students” group.

(5) Understand the requirements of IDEA related to the provision of education and early intervention services to children with disabilities;

(6) Participate in activities at the school level that benefit their children; and

(7) Participate in school reform activities;

For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery, please refer to section IV. 7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an

individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

b. Register both your DUNS number and TIN with the Central Contractor Registry (CCR), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active CCR registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined in the Grants.gov 3–

7. *Other Submission Requirements:* Applications for grants under each competition announced in this notice may be submitted electronically or in paper format by mail or hand delivery.

a. *Electronic Submission of Applications.*

We are participating as a partner in the Governmentwide Grants.gov Apply site. The Training and Information for Parents of Children with Disabilities Program competitions, CFDA numbers 84.328C and 84.328M, are included in this project. We request your participation in Grants.gov.

If you choose to submit your application electronically, you must use the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

You may access the electronic grant application for the Training and Information for Parents of Children with Disabilities Program competitions, CFDA numbers 84.328C and 84.328M at <http://www.Grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.328, not 84.328M).

Please note the following:

- Your participation in Grants.gov is voluntary.
- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at <http://www.G5.gov>.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you submit your application in paper format.

- If you submit your application electronically, you must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- If you submit your application electronically, you must attach any narrative sections of your application as files in a .PDF (Portable Document) format only. If you upload a file type other than a .PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the

Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

b. *Submission of Paper Applications by Mail.*

If you submit your application in paper format by mail (through the U.S. Postal Service or a commercial carrier), you must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you submit your application in paper format by hand delivery, you (or a courier service) must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address:

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210 and are listed in the application package.

2. *Review and Selection Process:* We remind potential applicants that in reviewing applications in any discretionary grant competition, the

Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Additional Review and Selection Process Factors:* In the past, the Department has had difficulty finding peer reviewers for certain competitions because so many individuals who are eligible to serve as peer reviewers have conflicts of interest. The Standing Panel requirements under IDEA also have placed additional constraints on the availability of reviewers. Therefore, the Department has determined that, for some discretionary grant competitions, applications may be separated into two or more groups and ranked and selected for funding within specific groups. This procedure will make it easier for the Department to find peer reviewers, by ensuring that greater numbers of individuals who are eligible to serve as reviewers for any particular group of applicants will not have conflicts of interest. It also will increase the quality, independence, and fairness of the review process, while permitting panel members to review applications under discretionary grant competitions for which they also have submitted applications. However, if the Department decides to select an equal number of applications in each group for funding, this may result in different cut-off points for fundable applications in each group.

4. *Special Conditions:* Under 34 CFR 74.14 and 80.12, the Secretary may impose special conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification

(GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993, the Department has established a set of performance measures, including long-term measures, that are designed to yield information on various aspects of the effectiveness and quality of the Training and Information for Parents of Children with Disabilities program. The measures focus on the extent to which projects provide high-quality materials, the relevance of project products and services to educational and early intervention policy and practice, and the usefulness of products and services to improve educational and early intervention policy and practice.

Grantees will be required to provide information related to these measures in annual reports submitted to the Department.

Grantees also will be required to report information on their projects'

performance in annual reports to the Department (34 CFR 75.590).

5. *Continuation Awards:* In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made “substantial progress toward meeting the objectives in its approved application.” This consideration includes the review of a grantee’s progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
