[Public Notice: 7353]

Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: Youth Leadership and Teacher Professional Development Program With Bosnia and Herzegovina

Announcement Type: New Cooperative Agreement.

Catalog of Federal Domestic Assistance Number: 19.415.

Application Deadline: April 22, 2011.

Executive Summary: The Office of Citizen Exchanges, Youth Programs Division, of the Bureau of Educational and Cultural Affairs announces an open competition for the Youth Leadership and Teacher Professional Development Program with Bosnia and Herzegovina. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals to conduct U.S.-based exchange activities on civic education, leadership, and community service for high school students and teachers from Bosnia and Herzegovina. The Bureau will be supporting two exchanges for 21 participants each during the course of 2012; each exchange will be three to four weeks in duration. Applicants should apply to implement both exchanges. The Office of Public Affairs (OPA) of the U.S. Embassy in Sarajevo will recruit, screen, and select the participating secondary school students and teachers. OPA and the award recipient will jointly support follow-on activities for the alumni.

I. Funding Opportunity Description

Authority: Overall grant making authority for this program is contained in the Mutual Educational and Cultural
Exchange Act of 1961, Public Law 87–256, as amended, also known as the
Fulbright-Hays Act. The purpose of the Act is “to enable the Government of the
United States to increase mutual understanding between the people of
the United States and the people of other countries * * * to strengthen the ties
which unite us with other nations by demonstrating the educational and
cultural interests, developments, and achievements of the people of the
United States and other nations * * * and thus to assist in the development of
friendly, sympathetic and peaceful relations between the United States and
the other countries of the world.” The funding authority for the program above
is provided through legislation.

Overview: The Youth Leadership and Teacher Professional Development
Program with Bosnia and Herzegovina has been implemented annually since
1999 through a partnership of the Office of Public Affairs (OPA) in the U.S.
Embassy in Sarajevo and a U.S. organization or institution that has
received an award from the Bureau of Educational and Cultural Affairs (ECA).

The goals of the program are to:
(1) Promote mutual understanding
between the people of the United States
and the people of Bosnia and
Herzegovina;
(2) Prepare young leaders to become
responsible citizens and contributing
members of their communities and to
develop their leadership skills;
(3) Nurture a cadre of students and
teachers to be actively engaged in
addressing issues of concern in their
schools and communities upon their
return home and are equipped with the
knowledge, skills, and confidence to
become citizen activists.

The objectives of the program are for
participants to be able to:
(1) Demonstrate a better understanding of the elements of a
participatory democracy as practiced in the
United States;
(2) Demonstrate critical thinking, problem-solving, and leadership skills; and
(3) Demonstrate skill at developing
project ideas, planning a course of
action, and bringing the projects to
fruition.

Participants will be engaged in a
variety of activities during the U.S.
exchange such as workshops,
community and/or school-based
programs, seminars, and other activities
that are designed to achieve the
program’s stated goals. Opportunities
for the youth and adult participants to
interact with their American peers in a
sustained, substantive, and in-depth
manner must be prominently integrated
into the exchange program.

The applicant should present a
program plan that allows the
participants to thoroughly explore civic
participation in the United States in a
creative, memorable, and practical way.
Exchange activities should be designed
to be replicable and provide practical
knowledge and skills that the
participants can apply to school and
civic activities at home. The two
exchanges need not be exactly the same;
the program activities may be modified
to take advantage of different resources,
but should still aim to fulfill the same
objectives.

One of the U.S.-based exchanges will
take place in spring 2012 and the other
in fall 2012. Applicants should propose
the period of the exchange, but the exact
timing of the project may be altered
through the mutual agreement of the
Department of State and the award
recipient. The program should be no
less than three weeks and up to four
weeks in duration. Program
development should begin in the late
summer of 2011.

The participants will be high school
students between the ages of 15 and 18
who have demonstrated leadership
abilities in their schools and/or
communities, and high school teachers
who have demonstrated an interest in
youth leadership and are expected to
remain in positions where they can
continue to work with youth.
Participants will be proficient in the
English language. Each delegation will
be 18 students and three teachers.
Applicants should outline their
participants’ knowledge and skill base
of Southeast Europe. Applicants need
not have a partner in Bosnia and
Herzegovina, as the U.S. Embassy in
Sarajevo will recruit and select the
participants from selected cities in the
Federation and in Republika Srpska and
will organize a pre-departure
orientation.

In pursuit of the goals outlined above,
each exchange program provided by the
U.S. award recipient organization will
include the following:
• Working with OPA to provide
program materials and preparation
sessions at the pre-departure orientation
in Sarajevo.
• A welcome orientation.
• The planning of three to four weeks of
exchange activities that provide a
creative and substantive program that
develops both the youth and the adult
participants’ knowledge and skill base
in civic education, community service,
youth leadership development. The
academic and extracurricular
components will focus primarily on
interactive activities, practical
experiences, and other hands-on
opportunities that explore the program
themes. Some activities should be
school and/or community-based, and
community service must also be
included. It is crucial that programming
involve American peers wherever
possible. Cultural, social, and
recreational activities will balance the
schedule.
• Opportunities for the educators to
work with their American peers and
other professionals and volunteers to
help them foster youth leadership, civic
education, and community service
programs at home.
• The arrangement of homestays for the
participants in the United States
with properly screened and briefed
American families for the majority of
the exchange period. Criminal
background checks must be conducted
for all members of host families (and
others living in the home) who are 18
years of age or older.
• Logistical arrangements, including
lodging and meals not taken at
homestays, disbursement of stipends,
local travel, and travel between sites.
• The development and
implementation of a plan to monitor the
participants’ safety and well-being
while on the exchange, and to create
opportunities for participants to share
potential issues and resolve them
promptly. The award recipient will be
required to provide proper staff
supervision and facilitation to ensure
that the teenagers have safe and
pedagogically rich programs. Staff,
along with the adult participants, will
assist the youth with cultural
adjustments, provide societal context to
enhance learning, and counsel students
as needed.
• A closing session to summarize the
project’s activities and prepare
participants for their return home.
• Assistance in follow-on activities in
Bosnia and Herzegovina, particularly by
facilitating continued engagement
among the participants, advising and
supporting them in the implementation
of community service projects, and
offering opportunities to reinforce the
ideas, values and skills imparted during
the exchange. Exchange participants
should return home from the exchange
prepared to conduct projects that serve
a need in their schools or communities,
which will be supported by project staff
through a follow-on visit in the fall.
• The design and implementation of an evaluation plan that assesses the impact of the project.

Please note:
In a cooperative agreement, the Department of State is substantially involved in program activities above and beyond routine grant monitoring. The Department’s activities and responsibilities for this program are as follows:
1. The U.S. Embassy will serve as the in-country partner and manage the recruitment and selection of the participants, cover their in-country expenses, arrange and purchase the international travel, and oversee their follow-on activities.
2. Provide advice and assistance in the preparation of all program components.
3. Facilitate interaction within the Department of State, to include ECA, the regional bureaus, and overseas posts.
4. Arrange meetings with Department of State officials in Washington, DC.
5. Issue DS–2019 forms and J-1 visas for the participants. All participants will travel on a U.S. Government designation for the J Exchange Visitor Program.
6. Approve final calendar of exchange activities.
7. Monitor and evaluate the program, through regular communication with the award recipient and possibly one or more site visits.

Additional Information:
The organization must inform the ECA Program Officer of their progress at each stage of the project’s implementation in a timely fashion, and will be required to obtain approval of any significant program changes in advance of their implementation. Proposals must clearly demonstrate how the stated objectives will be met.
The proposal narrative should provide detailed information on the major project activities, and applicants should explain and justify their programmatic choices. The Bureau reserves the right to reduce, revise, or increase proposal budgets in accordance with the needs of the program and the availability of funds. Projects must comply with J-1 visa regulations for the International Visitor and Government Visitor category. Please be sure to refer to the complete Solicitation Package—this RFP, the Project Objectives, Goals, and Implementation (POGI), and the Proposal Submission Instructions (PSI)—for further information.

III. Eligibility Information
III.1. Eligible applicants: Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3).

III.2. Cost Sharing or Matching Funds: There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs. Please note that cost sharing is one of the criteria by which proposals will be judged.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved grant agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with Office of Management and Budget (OMB) Circular A–110 (Revised), Subpart C.23—Cost Sharing and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA’s contribution will be reduced in like proportion.

III.3. Other Eligibility Requirements:
(a.) Bureau cooperative agreement guidelines require that organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.
(b.) Proposed sub-award recipients are also limited to grant funding of $60,000 or less if they do not have four years of experience in conducting international exchanges.

To obtain a DUNS number, access http://www.dunandbradstreet.com or call 1–866–705–5711. Please ensure that your DUNS number is included in the appropriate box of the SF–424 which is part of the formal application package.

You must have nonprofit status with the IRS at the time of application. Please note: Effective January 7, 2009, all applicants for ECA Federal assistance awards must include in their application the names of directors and/or senior executives (current officers, trustees, and key employees), as well as the one-page description of grant activities, which will be transmitted by the State Department to OMB, along with other information required by the Federal Funding Accountability and Transparency Act (FFATA), and will be made available to the public by the Office of Management and Budget on its USA Spending.gov Web site as part of ECA’s FFATA reporting requirements.

If your organization is a private nonprofit which has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure to do so will cause your proposal to be declared technically ineligible.

IV.3d. Please take into consideration the following information when preparing your proposal narrative:

**IV.3d.1. Adherence to All Regulations Governing the J Visa**

The Office of Citizen Exchanges of the Bureau of Educational and Cultural Affairs is the official program sponsor of the exchange program covered by this RFGP, and an employee of the Bureau will be the “Responsible Officer” for the program under the terms of 22 CFR 62, which covers the administration of the Exchange Visitor Program (J visa program). Under the terms of 22 CFR 62, organizations receiving grants under this RFGP will be third parties “cooperating with or assisting the sponsor in the conduct of the sponsor’s program.” The actions of grantee program organizations shall be “imputed to the sponsor in evaluating the sponsor’s compliance with” 22 CFR 62. Therefore, the Bureau expects that any organization receiving a grant under this competition will render all assistance necessary to enable the Bureau to fully comply with 22 CFR 62 et seq.

The Bureau of Educational and Cultural Affairs places critically important emphases on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by recipient organizations and program participants to all regulations governing the J visa program status. Therefore, proposals should explicitly state in writing that the applicant is prepared to assist the Bureau in meeting all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR 62. If your application experience as a designated Exchange Visitor Program Sponsor, the applicant should discuss their record of compliance with 22 CFR 62 et seq., including the oversight of their Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The Office of Citizen Exchanges of ECA will be responsible for issuing DS–2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at http://exchanges.state.gov or from: Office of Designation, Private Sector Programs Division, U.S. Department of State, ECA/EC/D/PS, SA–5, 5th Floor, 2200 C Street, NW., Washington, DC 20037.

**IV.3d.2. Diversity, Freedom and Democracy Guidelines**

Pursuant to the Bureau’s authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. “Diversity” should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the ‘Support for Diversity’ section for specific suggestions on incorporating diversity into your proposal. Public Law 104–319 provides that “in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy,” the Bureau “shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries.” Public Law 106—113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

**IV.3d.3. Program Monitoring and Evaluation**

Proposals must include a plan to monitor and evaluate the project’s success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal
include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the grantee will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project’s objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are “smart” (specific, measurable, attainable, results oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP listed here in increasing order of importance:

1. Participant satisfaction with the program and exchange experience.
2. Participant learning, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. Participant behavior, concrete actions to apply knowledge in work or community participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. Institutional changes, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

Please note: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it (1) specifies intended outcomes; (2) gives clear descriptions of how each outcome will be measured; (3) identifies when particular outcomes will be measured; and (4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Grantees will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

IV.3.e. Please take the following information into consideration when preparing your budget:

IV.3.e.1. Applicants must submit a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

IV.3.f. Application Deadline and Methods of Submission:

Application Deadline Date: Friday, April 22, 2011.

Methods of Submission: Applications may be submitted in one of two ways:

**IV.3g. Intergovernmental Review of Applications: Executive Order 12372 does not apply to this program.**

**V. Application Review Information**

**V.1. Review Process**

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State’s Assistant Secretary for Educational and Cultural Affairs. Final technical authority for assistance awards (grants or cooperative agreements) resides with the Bureau’s Grants Officer.

**V.2. Review Criteria**

Technically eligible applications will be competitively reviewed according to the criteria stated below.

1. **Quality of the program idea:** Objectives should be reasonable, feasible, and flexible. The proposal should clearly demonstrate how the institution will meet the program’s objectives and plan. The proposed program should be creative and well developed, respond to the design outlined in the solicitation, and demonstrate originality. It should be clearly and accurately written, substantive, and with sufficient detail.

2. **Program planning:** A detailed agenda and work plan should clearly demonstrate how objectives would be achieved. The agenda and plan should adhere to the program overview and guidelines described above. The substance of workshops, seminars, presentations, school-based activities, and/or site visits should be described in detail. Proposals should also provide a plan for a Bureau-supported follow-on visit by project staff to Bosnia or Herzegovina, plus a plan for continued follow-on activity, not necessarily with Bureau support, that ensures that this program is not an isolated event.

3. **Support of diversity:** Support of diversity is an important feature of Bureau programs. The proposal should demonstrate the recipient’s commitment to promoting the awareness and understanding of diversity in program content. Applicants should demonstrate readiness to accommodate participants with physical disabilities.
