NATIONAL SCIENCE FOUNDATION

Comment Request: National Science Foundation—Applicant Survey

AGENCY: National Science Foundation.

ACTION: Notice.

SUMMARY: The National Science Foundation (NSF) is announcing plans to request renewed clearance of this collection. In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, we are providing opportunity for public comment on this action. After obtaining and considering public comment, NSF will prepare the submission requesting OMB clearance of this collection for no more than 3 years.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information shall have practical utility; (b) the accuracy of the Agency’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents, including through the use of automated collection techniques or other forms of information technology; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be received by May 2, 2011 to be assured of consideration. Comments received after that date will be considered to the extent practicable.

ADDRESSES: Written comments regarding the information collection and requests for copies of the proposed information collection request should be addressed to Suzanne Plimpton, Reports Clearance Officer, National Science Foundation, 4201 Wilson Blvd., Rm. 295, Arlington, VA 22230, or by e-mail to splimpto@nsf.gov.

FOR FURTHER INFORMATION CONTACT: Suzanne Plimpton at (703) 292–7556 or send e-mail to splimpto@nsf.gov.

Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTAL INFORMATION:

Title of Collection: “National Science Foundation Applicant Survey.”

OMB Approval Number: 3145–0096,
Expiration Date of Approval: June 30, 2011.

Type of Request: Intent to seek approval to extend with revision an information collection for three years.

Proposed Project: The current National Science Foundation Applicant survey has been in use for several years. Data are collected from applicant pools to examine the racial/sexual/disability composition and to determine the source of information about NSF vacancies.

Use of the Information: Analysis of the applicant pools is necessary to determine if NSF’s targeted recruitment efforts are reaching groups that are underrepresented in the Agency’s workforce and/or to defend the Foundation’s practices in discrimination cases.

Burden on the Public: The Foundation estimates about 4,000 responses annually at 1 minute per response; this computes to approximately 67 hours annually.
