

necessary to avoid evasion of the denial order against Tsu.

As provided in Section 766.23 of the Regulations, I gave notice to Cheerway that its export privileges under the Regulations could be denied for up to 10 years due to its relationship with Tsu and that BIS believes naming it as a person related to Tsu would be necessary to prevent evasion of a denial order imposed against Tsu. In providing such notice, I gave Cheerway an opportunity to oppose its addition to the Tsu Denial Order as a related party. Having received no submission, I have decided, following consultations with BIS's Office of Export Enforcement, including its Director, to name Cheerway as a Related Person to the Tsu Denial Order, thereby denying its export privileges for 10 years from the date of Tsu's conviction.

I have also decided to revoke all licenses issued pursuant to the Act or Regulations in which the Related Person had an interest at the time of Tsu's conviction. The 10-year denial period will end on August 3, 2019.

Accordingly, *it is hereby ordered*:

I. Until August 3, 2019, William Chi-Wai Tsu with last known addresses at: Register Number 34009-112, USP Florence ADMAX, U.S. Penitentiary, P.O. Box 8500, Florence, CO 81226 and 1432 Forest Glen Drive, Unit #65, Hacienda Heights, CA 91745, and when acting for or on behalf of Tsu, his representatives, assigns, agents or employees (collectively referred to hereinafter as the "Denied Person"), and the following person related to the Denied Person as defined by Section 766.23 of the Regulations: Cheerway Corporation, with last known addresses at: 1641 W. Main Street, Suite 308, Alhambra, CA 91801, and 1432 Forest Glenn Drive, Unit #65, Hacienda Heights, CA 91745, and when acting for or on behalf of Cheerway, its successors or assigns, agents, or employees ("the Related Person") (together, the Denied Person and the Related Person are "Persons Subject to this Order"), may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as "item") exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including but not limited to:

A. Applying for, obtaining, or using any license, License Exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding,

transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations.

II. No person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Persons Subject to this Order any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Persons Subject to this Order of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Persons Subject to this Order acquire or attempt to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Persons Subject to this Order of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Persons Subject to this Order in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Persons Subject to this Order, or service any item, of whatever origin, that is owned, possessed or controlled by the Persons Subject to this Order if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

III. In addition to the Related Person named above, after notice and opportunity for comment as provided in section 766.23 of the Regulations, any other person, firm, corporation, or business organization related to the Denied Person by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of this Order if necessary to prevent evasion of the Order.

IV. This Order does not prohibit any export, reexport, or other transaction subject to the Regulations where the only items involved that are subject to the Regulations are the foreign-produced direct product of U.S.-origin technology.

V. This Order is effective immediately and shall remain in effect until August 3, 2019.

VI. In accordance with Part 756 of the Regulations, Tsu may file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of Part 756 of the Regulations.

VII. In accordance with Part 756 of the Regulations, the Related Person may also file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of Part 756 of the Regulations.

VIII. A copy of this Order shall be delivered to the Denied Person and the Related Person. This Order shall be published in the **Federal Register**.

Issued this 7th day of February, 2011.

Folding Metal Tables and Chairs From the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the 2009-2010 Antidumping Duty Administrative and New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* March 4, 2011.

FOR FURTHER INFORMATION CONTACT: Lilit Astvatsatrian or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-6412 or (202) 482-0650, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 28 and 29, 2010, the Department of Commerce ("the

Department”) published the initiations of the 2009–2010 administrative review and the new shipper review (“NSR”) of Xinjiamei Furniture Co., Ltd. (“Xinjiamei”), respectively, of the antidumping duty order on folding metal tables and chairs from the People’s Republic of China (“PRC”). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocations in Part*, 75 FR 44224 (July 28, 2010) and *Folding Metal Tables and Chairs from the People’s Republic of China: Initiation of New Shipper Review*, 75 FR 44767 (July 29, 2010). These reviews cover the period June 1, 2009, through May 31, 2010. The preliminary results of the administrative review are currently due no later than March 2, 2011.

On February 9, 2011, Xinjiamei agreed to waive the new shipper review time limits and agreed to the alignment of its NSR with the 2009–2010 administrative review. See Letter from Xinjiamei, regarding Waiver of the Time Limits and Request for Alignment, dated February 9, 2011. Therefore, pursuant to section 351.214(j)(3) of the Department’s regulations, we have aligned the NSR of Xinjiamei with the 2009–2010 administrative review. Accordingly, the preliminary results for the NSR are also due on March 2, 2011.

Extension of Time Limit for Preliminary Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the preliminary results of the administrative review and new shipper review of folding metal tables and chairs from the PRC within this time limit. Specifically, additional time is needed to determine the appropriate surrogate country, and surrogate values with which to value factors of production. Moreover, additional time is needed in order that the Department can conduct mandatory verifications and issue verification reports prior to the preliminary results.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for

completion of the preliminary results of these reviews, which are currently due on March 2, 2011, by 90 days.

Therefore, the preliminary results for the administrative and new shipper reviews are now due no later than May 31, 2011.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: February 25, 2011.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp From India: Preliminary Results of Antidumping Duty Administrative Review, Partial Rescission of Review, and Preliminary No Shipment Determination

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) is conducting an administrative review of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from India with respect to 202 companies.¹ The respondents which the Department selected for individual examination are Apex Exports (Apex) and Falcon Marine Exports Limited (Falcon). The respondents which were not selected for individual examination are listed in the “Preliminary Results of the Review” section of this notice. This is the fifth administrative review of this order. The period of review (POR) is February 1, 2009, through January 31, 2010.

We preliminarily determine that sales made by Apex and Falcon have been made at below normal value (NV), and, therefore, are subject to antidumping duties. In addition, based on the preliminary results for the respondents selected for individual examination, we have preliminarily determined a margin for those companies that were not individually examined. Finally, we are rescinding this review with respect to Devi Sea Foods Limited (Devi) because the order with respect to shrimp

See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp from India*, 70 FR 5147 (Feb. 1, 2005) (*Shrimp Order*). On February 1, 2010, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order of certain frozen warmwater shrimp from India for the period February 1, 2009, through January 31, 2010. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 75 FR 5037 (Feb. 1, 2010).
