provided to the FAA, and Direct and Indirect Subscribers would be prohibited from using such information in developing or marketing ASDI- or NASSI-based products. Under the operative statutory provision, 49 U.S.C. 44103 note, the FAA has the discretion to determine whether aircraft registration numbers should be blocked, and we do not believe that protecting aircraft identities from publicly available access is always in the best interests of the United States Government and the general public.

Accordingly, we seek comment on modifying Section 9 of the MOA as follows:

9. Security Interests

The ASDI and NASSI data includes the near real time position and other flight data associated with civil instrument flight rules (IFR) aircraft. While commercial operators conduct business according to a published listing of service and schedule, general aviation operators do not. It is possible that public knowledge of the ASDI and NASSI data of certain general aviation operators could compromise the security of individuals or property. General aviation aircraft identification numbers must be excluded from public ASDI and NASSI data feeds in the event a general aviation aircraft owner or operator provides the FAA, at least annually, a written certification (a “Certified Security Concern”) that a) the facts and circumstances establish a Valid Security Concern regarding the security of the owner’s or operator’s aircraft or aircraft passengers; or b) the general aviation aircraft owner or operator satisfies the requirements for a bona fide business-oriented security concern under Treasury Regulation 1.132–5(m), “Employer-provided transportation for security concerns,” 26 CFR § 1.132–5(m). A Valid Security Concern is a verifiable threat to person, property or company, including a threat of death, kidnapping or serious bodily harm against an individual, a recent history of violent terrorist activity in the geographic area in which the transportation is provided, or a threat against a company. The FAA will no longer accommodate any ASDI- or NASSI-related security or privacy requests, except such Certified Security Concerns. All Direct Subscribers (as a condition of signing this MOA) and Indirect Subscribers (as a condition of signing agreements with Direct Subscribers) must block any general aviation aircraft registration numbers for which Certified Security Concerns have been provided to the FAA. If the FAA determines that any Direct or Indirect Subscriber develops or markets products that violate this provision, the FAA’s rights under Section 15 shall apply.

Issued in Washington, DC, on March 1, 2011.

Marc L. Warren,
Deputy Chief Counsel.

Federal Aviation Administration

Commercial Space Transportation Advisory Committee—Public Teleconference

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of Commercial Space Transportation Advisory Committee Teleconference (COMSTAC).

SUMMARY: Pursuant to Section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92–463, 5 U.S.C. App. 2), notice is hereby given of a teleconference of the Commercial Space Transportation Advisory Committee (COMSTAC). The teleconference will take place on Thursday, March 17, 2011, starting at 2 p.m. Eastern Standard Time. Individuals who plan to participate should contact Susan Lender, DFO, (the Contact Person listed below) by phone or e-mail for the teleconference call in number.

The proposed agenda for this teleconference is to continue the discussion held at the February 15, 2011, teleconference. This discussion looked at the structure of the COMSTAC working groups and the organization of the COMSTAC meetings themselves. The agenda also includes a discussion of the agenda for the May COMSTAC meeting.

Interested members of the public may submit relevant written statements for the COMSTAC members to consider under the advisory process. Statements may concern the issues and agenda items mentioned above or additional issues that may be relevant for the U.S. commercial space transportation industry. Interested parties wishing to submit written statements should contact Susan Lender, DFO, (the Contact Person listed below) in writing (mail or e-mail) by March 14, 2011, so that the information can be made available to COMSTAC members for their review and consideration before the March 17, 2011, teleconference. Written statements should be supplied in the following formats: one hard copy with original signature or one electronic copy via e-mail.

An agenda will be posted on the FAA Web site at http://www.faa.gov/go/ast. Individuals who plan to participate and need special assistance should inform the Contact Person listed below in advance of the meeting.

FOR FURTHER INFORMATION CONTACT: Susan Lender (AST–100), Office of Commercial Space Transportation (AST), 800 Independence Avenue, SW., Room 325, Washington, DC 20591, telephone (202) 267–8029; E-mail susan.lender@faa.gov. Complete information regarding COMSTAC is available on the FAA Web site at: http://www.faa.gov/about/office_org/headquarters_offices/ast/advisory_committee/.

Issued in Washington, DC, on February 24, 2011.

George C. Nield,
Associate Administrator for Commercial Space Transportation.

Government/Industry Aeronautical Charting Forum Meeting

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of public meeting.

SUMMARY: This notice announces the biannual meeting of the Federal Aviation Administration (FAA) Aeronautical Charting Forum (ACF) to discuss informational content and design of aeronautical charts and related products, as well as instrument flight procedures development policy and design criteria.

DATES: The ACF is separated into two distinct groups. The Instrument Procedures Group (IPG) will meet April 26, 2011 from 8:30 a.m. to 5 p.m. The Charting Group will meet April 27 and 28, 2011 from 8:30 a.m. to 5 p.m.

ADDRESSES: The meeting will be hosted by Advanced Management Technology, Inc. (AMTI), 1515 Wilson Boulevard, Arlington, VA 22209.

FOR FURTHER INFORMATION CONTACT: For information relating to the Instrument Procedures Group, contact Thomas E. Schneider, FAA, Flight Procedures Standards Branch, AFS–420, 6500 South MacArthur Blvd, P.O. Box 25082, Oklahoma City, OK 73125; telephone (405) 954–5852; fax: (405) 954–2528.

For information relating to the Charting Group, contact John A. Moore, FAA, National Aeronautical Navigation Products Group (AeroNav Products), Regulatory Support and Coordination Team, AV–3B, 1305 East West Highway, SSMC4, Station 4643, Silver Spring, MD 20910; telephone: (301) 427–5154, fax: (301) 427–5412.

SUPPLEMENTARY INFORMATION: Pursuant to § 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92–463; 5 U.S.C. App. II), notice is hereby given of a meeting of the FAA Aeronautical

Federal Motor Carrier Safety Administration

[DOCKET No. FMCSA–2011–0059]

Agency Information Collection Activities: Proposed Collection; Comment Request; Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of the Office of Management and Budget (OMB) review of information collection and solicitation of public comment.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, this notice announces that the Information Collection Request (ICR) abstracted below will be submitted to the OMB for review. The ICR describes the nature of the information collection and its expected burden. A Federal Register notice with a 60-day comment period soliciting public comments on the following information collection was published on December 22, 2010 (75 FR 80542).

DATES: Please send your comments by April 4, 2011. OMB must receive your comments by this date in order to act quickly on the ICR.

FOR FURTHER INFORMATION CONTACT: Mr. Brian Ronk, Program Manager, FMCSA, Office of Enforcement and Program Delivery, Outreach Division/MC–ESO, Telephone (202) 366–1072; or e-mail brian.ronk@dot.gov. Department of

FEDERAL HIGHWAY ADMINISTRATION

Notice of Availability of the Finding of No Significant Impact for the Klingle Valley Trail

AGENCIES: Federal Highway Administration, District of Columbia Division; and District Department of Transportation; in cooperation with the National Park Service.

ACTION: Notice of availability of the Finding of No Significant Impact for the Klingle Valley Trail Project.

SUMMARY: The U.S. Federal Highway Administration (FHWA) and the District Department of Transportation (DDOT) as lead agencies, and in cooperation with the National Park Service (NPS), announce the availability of the Finding of No Significant Impact (FONSI) for the Klingle Valley Trail Project, pursuant to the requirements of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4321–4347; the Council on Environmental Quality Regulations (40 CFR parts 1500–1508); and the FHWA Environmental Impact and Related Procedures (23 CFR part 771).

SUPPLEMENTARY INFORMATION: The proposed action evaluated in the Environmental Assessment (EA) includes construction of a multi-use trail facility within the 0.7 mile barricaded portion of Klingle Road between Porter Street, NW., and Cortland Place, NW.; including the restoration of Klingle Creek.

Four Klingle Valley Trail alternatives, including the No Action Alternative, two options for the Restoration of Klingle Creek, and three options for Access to Rock Creek Trail are analyzed in detail in the EA to meet the project purpose and need. Two options for lighting were also evaluated. Following the public comment period, DDOT identified Alternative 2, 10-Foot Multi-Use Trail (Permeable), as the Preferred Alternative. Furthermore the following options were identified as the preferred options: Klingle Creek Restoration Option B—Full Stream Channel and Bank Stabilization; access to Rock Creek Trail Option C Modified, and Lighting Option B—Pole Lighting.

The FHWA has determined that the Preferred Alternative and options will not have a significant impact on the natural, human or built environment. This Finding of No Significant Impact (FONSI) is based on the findings of the proposed project’s Final EA, and comments submitted during preparation of the EA. The Final EA has been evaluated by the FHWA and determined to adequately discuss the need, environmental issues, and impacts of the proposed project and appropriate mitigation measures. It provides sufficient evidence and analysis for determining that an environmental impact statement is not required.

Electronic and Hard Copy Access: An electronic copy of this document may be downloaded from the Project Web Site: http://www.klingletrail.com. Hard copies of the EA may also be viewed at the following locations:

District Department of Transportation, Planning, Policy, and Sustainability Administration, 2000 14th Street, NW., 7th Floor, Washington, DC 20009.

Martin Luther King, Jr. Memorial Library, 901 G Street, NW., Washington, DC 20001.

Cleveland Park Branch Library, 3310 Connecticut Avenue, NW., Washington, DC 20008.

Mount Pleasant Library, 3162 Mt. Pleasant Street, NW., Washington, DC 20010.

Issued: February 28, 2011.

Joseph C. Lawson,
Division Administrator, Federal Highway Administration, District of Columbia Division.
