This amount was established in Changes in

regulations (15 CFR 303.5).

In calendar year 2010, USVI program
producers shipped 63,990 watches and
watch movements into the customs
territory of the United States under the
Act. The dollar amount of corporate
income taxes paid by USVI program
producers during calendar year 2010,
and the creditable wages and benefits
paid by these producers during calendar
year 2010 to residents of the territory
was a combined total of $1,214,003.

The balance of the units allocated to
the USVI is available for new entrants
into the program or existing program
